

**WAC 246-918-885 Consultation—Exemptions for exigent and special circumstances—Chronic pain.** A physician assistant is not required to consult with a pain management specialist as defined in WAC 246-918-895 when the physician assistant has documented adherence to all standards of practice as defined in WAC 246-918-855 through 246-918-875 and when one or more of the following conditions are met:

- (1) The patient is following a tapering schedule;
- (2) The patient requires treatment for acute pain, which may or may not include hospitalization, requiring a temporary escalation in opioid dosage, with an expected return to their baseline dosage level or below;
- (3) The physician assistant documents reasonable attempts to obtain a consultation with a pain management specialist and the circumstances justifying prescribing above one hundred twenty milligrams morphine equivalent dose (MED) per day without first obtaining a consultation; or
- (4) The physician assistant documents the patient's pain and function are stable and the patient is on a nonescalating dosage of opioids.
