

WAC 246-918-925 Coprescribing of opioids for patients receiving medication assisted treatment. (1) Where practicable, the physician assistant providing acute nonoperative pain or acute perioperative pain treatment to a patient who is known to be receiving MAT medications shall prescribe opioids when appropriate for pain relief either in consultation with a MAT prescribing practitioner or a pain specialist.

(2) The physician assistant providing acute nonoperative pain or acute perioperative pain treatment shall not discontinue MAT medications without documentation of the reason for doing so, nor shall the use of these medications be used to deny necessary operative intervention.
