

WAC 296-17-31022 Reporting exception classification employees. How do I report exception classification employees on my quarterly report? If the language of the basic classification assigned to your business does not include those occupations, operations or employments which we have defined by exception classifications and treatments, you may report them separately in the applicable exception classification. To report these employments, operations and occupations separately, you must meet all of the conditions specified in the exception classification rules which are applicable to the classification.
