

WAC 296-17A-5003 Classification 5003.

Applies to the hauling of logs from a logging side to a mill or storage yard.

This classification excludes the hauling of logs from a log storage yard to a shipping destination, which is to be reported separately in classification 1102.

For administrative purposes, this classification is divided into the following subclassifications:

5003-01 Log hauling by contractor

Applies to contractors hauling logs for others. The loading and unloading of the truck is included in this classification when performed by the truck driver.

5003-02 Log truck drivers, N.O.C.

Applies to employees of a logging company who haul the company's own logs. If the log truck driver has other duties during their work shift that are subject to the logging classification 5001, then the hauling of the logs must be reported in classification 5001 (WAC 296-17-31018 Exception classifications).
