

WAC 296-307-59005 Prohibit tobacco smoke in your office work environment.

EXEMPTION: The minimum criteria specified in this rule do not apply to outdoor structures provided for smokers such as gazebos or lean-tos that maintain the twenty-five-foot distance from entrances, exits, windows that open, and ventilation intakes that serve an enclosed area where smoking is prohibited.

You must:

- (1) Prohibit smoking in your office work environment.
- (2) Use administrative controls to prevent tobacco smoke from entering your office from outside the building.
 - Make sure that outside smoking areas used by your employees are at least twenty-five feet from entrances, exits, windows that open, and ventilation intakes that serve an enclosed area where smoking is prohibited.
