

**WAC 296-307-654 Nonpermit confined spaces requirements.**

**Summary:**

**IMPORTANT:**

A confined space may be classified as a nonpermit confined space for as long as the hazards remain eliminated. Once a hazard is present, you must follow all requirements of this part that apply.

**Your responsibility:**

To make sure any space you classify as nonpermit does not have the potential to contain serious health or safety hazards.

**You must:**

Follow these requirements when classifying a confined space as a nonpermit confined space.

**WAC 296-307-65402**

Reevaluate nonpermit confined spaces if hazards develop.
