

WAC 308-65-140 Scrap processor—Procedures for monthly reports.

How must I file monthly reports to the department? (1) Must maintain books and files.

(a) The scrap processor shall maintain the following books and files of all vehicles, acquired other than from a wrecker or out-of-state salvage company, which shall contain the following:

(i) A description of each vehicle acquired by make, model, year and vehicle identification number;

(ii) The date acquired, name of the person, firm or corporation from which obtained, and the wrecker license numbers if such person is licensed as a wrecker by the department;

(iii) A copy of the document evidencing ownership, as required by WAC 308-65-080; and

(iv) The license plate number and name of state in which vehicle was last registered.

(b) For all vehicles acquired from a licensed wrecker, a copy of the wrecker's invoice or bill of sale shall suffice as the record of acquisition and demolition.

(c) For vehicles acquired from out-of-state salvage companies, an invoice listing the vehicles and the affidavit of compliance with the out-of-state jurisdiction.

(d) For vehicle parts, an invoice or bill of sale describing the part and identifying the seller by name and address. That record will be available for inspection.

(e) Such records shall be maintained for three years and shall be subject to periodic inspection by authorized representatives of the department and appropriate law enforcement officers.

(2) Must furnish written reports. By the tenth of the month following acquisition of vehicles or hulks for demolition, each scrap processor shall submit a report, on the form prescribed by the department, listing each vehicle, whether or not such vehicles have been demolished. This report shall be made in duplicate, retaining the duplicate for the scrap processor's files. The report shall give such information as the scrap processor is required to keep by subsection (1) of this section, provided that the scrap processor need not include copies of a wrecker's invoice or bill of sale in such report so long as he/she retains copies of the invoices and bills of sale for a period of three years. It shall be accompanied by properly endorsed certificates of title or registration or such other adequate evidence of ownership as may come into the scrap processor's possession when he/she acquires vehicles for salvage from other than wreckers licensed by the department.
