

WAC 308-101-170 Video evidence. If the petitioner wishes to submit video evidence, the petitioner shall be responsible for the costs of preparing a copy to be admitted as evidence. Video evidence shall be submitted sufficiently in advance of the hearing to allow the hearings examiner the opportunity to review it prior to the hearing. The hearings examiner may require a time waiver from the petitioner in order to reschedule the hearing and satisfy this provision when needed. Video evidence must be submitted by DVD and in a format which allows the DVD to be viewed on the department's equipment. Any costs associated with this requirement is to be the responsibility of the petitioner.
