

WAC 388-78A-2120 Monitoring residents' well-being. The assisted living facility must:

(1) Observe each resident consistent with his or her assessed needs and negotiated service agreement;

(2) Identify any changes in the resident's physical, emotional, and mental functioning that are a:

(a) Departure from the resident's customary range of functioning; or

(b) Recurring condition in a resident's physical, emotional, or mental functioning that has previously required intervention by others.

(3) Evaluate, in order to determine if there is a need for further action:

(a) The changes identified in the resident per subsection (2) of this section; and

(b) Each resident when an accident or incident that is likely to adversely affect the resident's well-being, is observed by or reported to staff persons.

(4) Take appropriate action in response to each resident's changing needs.
