

WAC 388-112A-0585 What documentation is required for successful completion of specialized diabetes nurse delegation training? (1) Specialized diabetes nurse delegation training must be documented by a department certificate of successful completion of training, issued by the instructor or training entity, that includes the following:

- (a) The name of the trainee;
- (b) The name of the training;
- (c) The name and department number of the training entity giving the training;
- (d) The instructor's name and signature; and
- (e) The date(s) of the training.

(2) The instructor or training entity must give the trainee an original certificate. Adult family homes and assisted living facilities must keep a copy of the certificate on file.
