

WAC 388-845-1150 What are behavioral health stabilization services? (1) Behavioral health stabilization services assist persons who are experiencing a behavioral health crisis.

(2) Behavioral health stabilization services are available in the basic plus, core, children's intensive in-home behavior support (CIIBS), individual and family services (IFS), and community protection waivers.

(3) A participant may be eligible for behavioral health stabilization services if:

(a) A behavioral health professional or DDA has determined the participant is at risk of institutionalization or hospitalization;

(b) The participant needs:

(i) Positive behavior support and consultation;

(ii) Specialized psychiatric services for people age twenty-one and older; or

(iii) Behavioral health crisis diversion bed services available to participants on the basic plus, core, CIIBS, and community protection waivers.
