

**WAC 392-164-265 Basis of project planning and funding.** The local school district or other subgrantee and the superintendent of public instruction shall consider the following factors in project planning and approval for funding.

(1) An operating agency's project shall:

(a) Satisfy the provisions of the approved state plan submitted by the superintendent of public instruction to the secretary of education;

(b) Be planned and implemented based on the number and specific needs of participating, eligible migratory students;

(c) Be of sufficient size and scope as determined pursuant to WAC 392-164-275 to meet the needs of the eligible migratory students to be served;

(d) Be funded in relationship to:

(i) The migrant student records and transfer system (MSRTS) reports on full-time equivalent migratory students to determine the number and status of migratory students enrolled on the MSRTS as compared to previous years' enrollment and with other local school districts and operating agencies within Washington state;

(ii) Data contained in the report of services filed with the superintendent of public instruction to determine continuity of services and projected number of participants versus the number of migratory students actually served over time;

(iii) The number of students served in supplemental programs by the operating agency to determine whether planning information and proposed services are consistent with one another and if funds requested are intended to support a new project;

(iv) Monitoring reports to determine if the local school district or subgrantee has incorporated recommendations to remedy weaknesses in previous projects into their current proposal;

(v) Expenditure claims for the immediately preceding and current year to determine if the amount requested is realistic in light of the rate of expenditure in the current year;

(vi) State plan to determine whether the scope of services planned at the local school district or subgrantee level is within approved state priorities; and

(vii) Migrant student records transfer system and migrant education regional office reports to determine the needs, strengths and weaknesses of the proposal based on information gathered in visits for reports, training, and district profiles.

(2) No project shall be established solely for formerly migratory children.
