

WAC 392-164-335 Property, facilities, and equipment. The superintendent of public instruction administers directly the construction of facilities and the acquisition of property and equipment needed to implement programs for migratory children; and retains title to such facilities, property, and equipment and possesses the right to move or transfer them according to need. Such procedures shall be consistent with 34 C.F.R. 74.130-145, Subpart 0—Property, which governs the acquisition, inventory, and disposition of property purchased with federal funds.
