*These routes operate as a one-point toll collection system with round trip tolls.

¹OVERSIZE VEHICLES - Includes all vehicles 22 feet in length and longer regardless of type: Commercial trucks, recreational vehicles, vehicles under 22' pulling trailers, etc. Length shall include vehicle and load to its furthest extension. Overheight charge is included in oversize vehicle toll. Vehicles wider than 8'6" pay double the fare applicable to their length. Private and commercial passenger buses or other passenger vehicles pay the applicable oversize vehicle tolls. Public transit buses and drivers shall travel free upon display of an annual permit which may be purchased for \$10. Upon presentation by either the driver or passenger of a WSF Disability Travel Permit, Regional Reduced Fare Permit, or other identification which establishes disability, vehicles 22-30 feet in length and 7'2" or over in height shall be charged the 22-30 foot length and under 7'2" in height fare for vehicles equipped with wheelchair lift or other feature designed to accommodate the person with the disability.

²TRANSFERS - Tolls collected westbound only. Oversize vehicles traveling westbound from Anacortes may purchase a single intermediate transfer when first purchasing the appropriate fare. The transfer is valid until the end of the service day on the day purchased and is priced as follows: \$66.00 base season, \$88.95 peak season.

³INTER-ISLAND - Tolls collected westbound only. Vehicles traveling between islands may request a single transfer ticket good for one transfer at an intermediate island. The transfer may only be obtained when purchasing the appropriate vehicle fare for inter-island travel (westbound at Lopez, Shaw, or Orcas) and is free of charge. Transfers shall be valid until the end of the service day on the day of purchase.

⁴ROUND TRIP - Round trip passage for international travel available for trips beginning or ending on one of the islands served.

⁵CAPITAL SURCHARGE - There is an included \$0.25 capital surcharge on each single vehicle/driver fare collected.

BULK NEWSPAPERS - Per 100 lbs. \$2.85 (Shipments exceeding 60,000 lbs. in any month shall be assessed \$1.42 per 100 lbs.). Daily newspapers, in bundles, to be received and delivered

without receipt and subject to owner's risk, will be transported between ferry terminals on regular scheduled sailings.

VEHICLE RESERVATION DEPOSIT - Nonrefundable deposits for advanced reservations may be established at a level of from 25 to 100 percent of the applicable oversize vehicle one way fare. This is a deposit toward the fare and not an additional fee and applies only to those routes where the legislature has approved the use of a reservation system. Where it is operationally necessary (routes where vehicle fares are collected in only one direction or to increase operational efficiency at the terminal) a reservation no-show fee may be used in lieu of a deposit. The no-show fee will be limited to 25 to 100 percent of the applicable one way oversize vehicle fare and will be charged if the customer does not travel within the same service day as their reserved sailing, provided there are no service disruptions.

PEAK SEASON SURCHARGE - A peak season surcharge shall apply to all oversize vehicles from May 1 through September 30. The oversize fare shall be determined based on the peak-season car-and-driver fare and the analogous oversize vehicle fare, calculated with the same factor as the oversize base seasons fares are to the base season under 20 foot fare. The senior citizen discount shall apply to the driver of an oversize vehicle. The resulting fare is rounded up to the next \$0.05 if required.

SENIOR CITIZEN DISCOUNTS - Discounts of 50% for the driver of the above vehicles shall apply. Senior citizen discount is determined by subtracting full-fare passenger rate and adding half-fare passenger rate. The senior citizen discount shall apply to the driver of an oversize vehicle.

PENALTY CHARGES - Owner of vehicle without driver will be assessed a \$100.00 penalty charge.

COMMERCIAL ACCOUNTS - Commercial customers making 12 or more, one-way crossings per week (Sunday through Saturday) will qualify for a 10% discount from the regular ferry tolls. WSF will provide a commercial account program that will be prepaid and offer access to volume discounts based on travel, revenue or other criteria in accordance with WSF business rules. On an annual basis, commercial accounts will pay a \$50 nonrefundable account maintenance fee.

GROUP OR VOLUME SALES - In order to increase total revenues, WSF may develop full fare or discounted customer packages or bundle single fare types into multiple trip books or offer passes for high volume or group users. In pricing these packages, WSF will have discretion to set appropriate volume discounts based on a case-by-case basis.

SPECIAL EVENTS - In order to increase total revenues, WSF may develop, create or participate in special events that may include, but not be limited to, contributing or packaging discounted fares in exchange for the opportunity to participate in the income generated by the event.

FIRE DEPARTMENT AND FIRE DISTRICT FARE CONSIDERATION - At the discretion of the WSF Assistant Secretary, WSF may authorize no-fare or discounted fare passage on scheduled and/or special ferry sailings for fire departments and fire districts that provide contracted fire protection services for WSF ferry terminals and/or other WSF facilities within their jurisdiction. Such passage shall be considered full and complete consideration for such fire protection services, in lieu of annual payments for such services, to be so noted in such fire protection agreements. The scope of such authorization includes designated fire department and fire district vehicles (see below), drivers and passengers en route to and from an emergency call, on ferry routes with a WSF terminal and/or other WSF facility served by a fire department or fire district pursuant to a WSF fire protection service agreement. Authorized vehicles may include public fire department and fire district medical aid units, fire trucks, incident command and/or other vehicles dispatched to and returning from an emergency call.

EMERGENCY TRIPS DURING NONSERVICE HOURS - While at locations where crew is on duty charge shall be equal to the cost of fuel consumed to make emergency trip. Such trips shall only be of-

ferred as a result of official requests from an emergency services agency and only in the case of no reasonable alternative.

DISCLAIMER - Under no circumstances does Washington state ferries warrant the availability of ferry service at a given date or time; nor does it warrant the availability of space on board a vessel on a given sailing.

GOOD TO GO! PILOT - Special ferry toll rate(s) may be established for a pilot program of Good to Go! or similar fare collection infrastructure, technology, or ORCA replacement system on any ferry route. Washington State Ferries Assistant Secretary shall design the program and submit a proposed program and fare schedule to the Washington State Transportation Commission. The Commission shall review, modify and approve the proposed fare schedule and fare policies before it is implemented. Once implemented, WSF shall provide, at a minimum, updates to the commission every six months on the pilot. The pilot will conclude no longer than three years from its implementation.
