

WAC 480-103-030 Annual reports and payment of regulatory fees.

(1) Annual reports.

(a) *Community solar companies.* Each community solar company must file a report on or before May 1st each year on the community solar company's operations within the state of Washington for the prior calendar year. The company must submit the annual report on the form furnished by the commission and must include all information, documentation, and support the commission requires in the form or the form's instructions. The report must include:

(i) A statement under oath of the community solar company's gross operating revenue from intrastate operations during the prior calendar year; and

(ii) A list identifying all of the company's community solar projects and related programs and services within the state of Washington.

(b) *Investor-owned utilities.* On or before May 1st each year, each investor-owned utility operating a community solar project must file a list identifying all of the utility's community solar projects and related programs and services within the state of Washington.

(2) **Regulatory fee.** On or before May 1st each year, each community solar company must pay to the commission a fee equal to one-tenth of one percent of the first fifty thousand dollars of gross intrastate operating revenue the company generated during the previous calendar year, plus two-tenths of one percent of any such gross intrastate operating revenue in excess of fifty thousand dollars. The minimum regulatory fee a community solar company must pay is twenty dollars.

(3) **Enforcement.** The commission will enforce a community solar company's obligations under this rule, including assessment of penalties, as authorized in WAC 480-07-917.
