

WAC 504-49-605 May a renewable energy system that has already been certified by the department of revenue be certified in the new program for incentive payments beyond June 30, 2020? No. If the applicant's renewable energy system has already been certified by the department of revenue for cost recovery incentives, that system is ineligible for the new incentive program.

[Statutory Authority: RCW 28B.30.150. WSR 18-20-025, § 504-49-605, filed 9/24/18, effective 10/25/18.]
