

WAC 1-21-015 Expedited rule making. (1) Expedited rule making filed under RCW 34.05.353 includes both the expedited adoption of rules and the expedited repeal of rules.

(2) An agency must file notice for the expedited rule making with the office of the code reviser on a CR-105 form (expedited rule making). The agency must file the full text of a proposed new or amendatory rule, along with the CR-105 form. The text must meet the form and style requirements of WAC 1-21-110 through 1-21-130. The filing will appear in the *Washington State Register* in accordance with the schedule provided in WAC 1-21-040. The expedited rule making must be published in the *Washington State Register* at least forty-five days before the agency may file a CR-103P form (rule-making order).

(3) WAC sections proposed for expedited repeal must be listed by citation and caption only, either individually or by entire chapter.

(4) The agency must either file the expedited rule-making package (form and text) electronically and the office of the code reviser will forward a stamped electronic copy to the joint administrative rules review committee; or the agency may submit, in person or by mail, the original and six hard copies of the expedited rule-making package (form and text). The office of the code reviser will keep the original and two copies and return four stamped copies to the agency. The joint administrative rules review committee has requested that the agency submit three of these copies to the committee for purposes of legislative review. The agency should keep the remaining copy for its files.
