

WAC 132G-116-020 Purpose. The parking and traffic rules and regulations contained herein provide a fair and uniform method of regulating college vehicular, nonvehicular, and pedestrian traffic and are based on the following objectives:

(1) To protect and control pedestrian, vehicular, and nonvehicular traffic.

(2) To assure access at all times for emergency equipment.

(3) To minimize traffic disturbance during class hours.

(4) To facilitate the work of the college in meeting its mission and goals by assuring access for college vehicles and by assigning the limited parking spaces for the most efficient use.

Permission to park or operate a vehicle on college property is governed by these regulations. The purchase of a permit for parking does not ensure the regular availability of a parking space.
