be used as a weapon to injure a person by an electric shock, charge, or impulse.

(13) **Harassment, intimidation, or bullying.** Harassment, intimidation, or bullying means any intentional electronic, written, verbal or physical act including, but not limited to, one shown to be motivated by race, color, religion, ancestry, national origin, gender, sexual orientation including gender identity or expression, mental or physical disability, socio-economic status, physical appearance, or other distinguishing characteristic, when the act:

(a) Physically harms a student or damages the student's property;

(b) Has the effect of substantially interfering with a student's education;

(c) Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or

(d) Has the effect of substantially disrupting the orderly operation of the school.

Nothing in this section requires the affected student to actually possess a characteristic that is a basis for the harassment, intimidation, or bullying.

"Intentional act" refers to the individual's choice to engage in the act rather than the ultimate impact of the action(s).

Harassment, intimidation, and bullying are often carried out through acts of misconduct, which are addressed and prohibited under other rules in this chapter.

(14) **Gang activity.** Claiming membership in, association with, affiliation with, or participation in a gang, in gang-related activities or similar destructive or illegal group behavior at school, during school-related functions, or on any school property. (e) Use of such time or resources to send, display, or print an obscene or abusive message, text, or image;

(f) Use of such time or resources to harass, abuse, bully or engage in other conduct which harms, threatens, or is reasonably perceived as threatening the health or safety of another person;

(g) Use of such time or resources to interfere with normal operation of the school's computing system or other electronic information resources;

(h) Use of such time or resources in violation of applicable copyright or other law;

(i) Failure to comply with the student computing resources policy.

(16) **Cyber misconduct.** Cyberstalking, cyberbullying, or online harassment. Use of electronic communications including, but not limited to, electronic mail, instant messaging, electronic bulletin boards, and social media sites to harass, abuse, bully, or engage in other conduct which harms, threatens, or is reasonably perceived as

threatening the health or safety of another person. Prohibited activities include, but are not limited to, unauthorized monitoring of another's email communications directly or through spyware, sending threatening emails, disrupting electronic communications with spam or by sending a computer virus, sending false messages to third parties using another's email identity, nonconsensual recording of sexual activity, and nonconsensual distribution of a recording of sexual activity.

(17) **Violation of other laws or policies.** Violation of any federal, state, local law, rule, or regulation or other school rules or policies which are published annually in the student/parent handbook.
