

WAC 200-250-010 Purpose. The purpose of these rules is to make sure the use of unmanned aircraft on the state capitol campus is managed in a safe and secure manner by the department of enterprise services. Because of this, the state capitol campus is closed to launching, landing, or operating unmanned aircraft, subject to the conditions and exceptions described below.

[Statutory Authority: RCW 43.19.125. WSR 16-03-026, § 200-250-010, filed 1/11/16, effective 2/11/16.]
