

WAC 246-130-001 What is the early intervention program? The early intervention program of HIV client services' mission is to reduce the transmission and medical consequences of HIV by assuring that persons eligible for the early intervention program in Washington have access to available health care and supportive services.

The early intervention program provides treatment of HIV infection to eligible clients based on available funds. The department provides these early intervention services to improve public health by treating people living with HIV, its complications, and side effects of HIV treatment, and in order to decrease the risk of clients with HIV infecting others. Information on how to contact this program is in WAC 246-130-090.
