

WAC 246-293-210 Update of external critical water supply service area boundaries. External critical water supply service area boundaries shall be reviewed by the water utility coordinating committee and the county legislative authority(ies) at least once every five years, as part of the update of the coordinated water system plan. (See WAC 248-56-760.)

[Statutory Authority: RCW 43.70.040. WSR 91-02-049 (Order 121), redefined as § 246-293-210, filed 12/27/90, effective 1/31/91. Statutory Authority: Chapter 70.116 RCW. WSR 78-07-048 (Order 1309), § 248-56-640, filed 6/28/78.]
