

WAC 246-945-092 Home dialysis program—Records. (1) A record of shipment shall be attached to the prescriber's order and shall include:

- (a) The name of the patient;
- (b) Strengths and quantities of drugs;
- (c) The manufacturers' names;
- (d) Date of shipment;
- (e) Names of persons who selected, assembled and packaged for shipment; and
- (f) The name of the pharmacist or designated individual responsible for the distribution.

(2) Prescription and drug distribution records shall be maintained in accordance with WAC 246-945-020.
