Compliance reporting and review.

Each jurisdiction that has designated a cost accounting center is responsible to ensure compliance with local, state and federal requirements. The jurisdiction will receive from each CAC it has designated complete monthly payroll information for each inmate working including name, Social Security number, wage rate, total hours worked, total pay, and any deductions taken from pay for taxes or other purposes. The jurisdiction should verify that wages paid are appropriate per the employment security department wage finding and that overtime is being paid for any time over forty hours in one week. The jurisdiction will record any deductions it takes from each inmate's wages and ensure the total deductions do not exceed eighty percent of gross wages and are for approved purposes.

The jurisdiction will forward copies of payroll and deduction information each month to the jail industries board for review. Jail industries board staff are responsible to verify the information submitted reflects compliance with local, state and federal requirements and to submit all required reports to the bureau of justice assistance. Jail industries board staff are responsible to request annual wage updates from the employment security department and forward the information to local jurisdictions for their action.

Each jurisdiction with active CACs will be visited at least annually for an on-site compliance check. Jurisdictions participating in the program will agree to make available all documentation required to verify compliance with requirements and participate in the on-site compliance reviews.

Decertification.

The jail industries board has the final authority to determine if a jurisdiction is in compliance with Washington requirements as stated in chapter 36.110 RCW. The board may decertify a jurisdiction or one of its designated cost accounting centers if it determines the jurisdiction is out of compliance and is unable to work with the jurisdiction to ensure compliance.

The bureau of justice assistance (BJA) has the final authority to determine if a cost accounting center is in compliance with federal requirements. Should BJA find a CAC out of compliance, the jail industries board and the jurisdiction will work with BJA to bring the CAC into compliance. If compliance issues cannot be resolved, the jail industries board will decertify the CAC per BJA guidelines. A decertified CAC may not employ inmates to produce goods for sale in interstate commerce.
