

WAC 308-13-205 How does the board verify I have completed my professional development? (1) The board will audit between five and fifteen percent of the total number of licensees yearly. If you are selected for an audit, the board will provide instructions about how to respond.

(2) You may face disciplinary action for failing to complete your professional development requirement or falsifying your records.

(3) If an audit disqualifies credits that you reported to the board and results in you failing to complete the PDH requirements, the board may require the shortage to be made up over a period of time established by the board.
