

WAC 388-97-0140 Transfer and discharge appeals for resident in medicare or medicaid certified facilities. (1) A skilled nursing facility and a nursing facility that initiates transfer or discharge of any resident, regardless of payor status, must:

(a) Provide the required written notice of transfer or discharge to the resident and, if known or appropriate, to a family member or the resident's representative;

(b) Attach a department-designated hearing request form to the transfer or discharge notice;

(c) Inform the resident in writing, in a language and manner the resident can understand, that:

(i) An appeal request may be made any time up to ninety days from the date the resident receives the notice of transfer or discharge; and

(ii) Transfer or discharge will be suspended when an appeal request is received by the office of administrative hearings on or before the date the resident actually transfers or discharges; and

(iii) The nursing home will assist the resident in requesting a hearing to appeal the transfer or discharge decision.

(2) A skilled nursing facility or nursing facility must suspend transfer or discharge pending the outcome of the hearing when the resident's appeal is received by the office of administrative hearings on or before the date of the transfer or discharge set forth in the written transfer or discharge notice, or before the resident is actually transferred or discharged.

(3) The resident is entitled to appeal the skilled nursing facility or nursing facility's transfer or discharge decision. The appeals process is set forth in chapter 182-526 WAC and this chapter. In such appeals, the following will apply:

(a) In the event of a conflict between a provision in this chapter and a provision in chapter 182-526 WAC, the provision in this chapter will prevail;

(b) The resident must be the appellant and the skilled nursing facility or the nursing facility will be the respondent;

(c) The department must be notified of the appeal and may choose whether to participate in the proceedings. If the department chooses to participate, its role is to represent the state's interest in assuring that skilled nursing facility and nursing facility transfer and discharge actions comply substantively and procedurally with the law and with federal requirements necessary for federal funds;

(d) If a medicare certified or medicaid certified facility's decision to transfer or discharge a resident is not upheld, and the resident has been relocated, the resident has the right to readmission immediately upon the first available bed in a semi-private room if the resident requires and is eligible for the services provided by a nursing facility or skilled nursing facility;

(e) Any review of the administrative law judge's initial decision shall be conducted under chapter 182-526 WAC.
