

WAC 388-891A-1312 What does DVR do if it determines I have not achieved a self-employment outcome when my employment outcome is in self-employment? When you are working towards a self-employment outcome as outlined in WAC 388-891A-1311, DVR will close your case if:

(1) Strategies determined necessary for the business to be successful have not worked or you decline to or are unable to try them;

(2) You are unwilling to consider other types of competitive integrated employment options; and

(3) Your business is not successful based on the criteria agreed to in your IPE.
