

WAC 480-92-050 Reporting requirements—Annual report. An annual report is an end-of-the-year summary of financial and operational activity that each site operator is required to file with the commission.

(1) Each year the commission provides an annual report form and instructions to each site operator at its address of record. Failure to receive the form does not relieve a company of its obligation to complete and file its annual report. A site operator that does not receive an annual report form must contact the commission to request a copy of the form.

(2) A site operator must file a complete, accurate annual report showing all requested information by May 1 of the succeeding year. Information provided on the annual report must agree with source documents maintained at site operator offices.
