

WAC 110-145-1685 What are the requirements for fire drills? (1)

You must conduct a fire drill at least once each month at varying times of the day and night so that staff on all shifts practice the procedures.

(2) You must maintain a written record on the premises that indicates the date and time that all drills were completed.

(3) If you care for nonambulatory children, you must consult with and follow the WSP/FPB protocol for "simulated" fire drills.
