

WAC 139-01-411 Care and maintenance of facilities and equipment.

(1) Appropriate equipment is expected to be used when the absence of such equipment may be detrimental to that facility (e.g., tennis shoes must be worn on gymnasium floors).

(2) Individuals or organizations using the facilities are required to leave the premises in the same condition as when the individual or organization was admitted to its use. After facility use, individuals or organizations are required to arrange for proper disposal of decorations and other refuse when restoring the facility to its original condition for resumption of facility use.

(3) Custodial and other services beyond those regularly scheduled to support normal activities may be required for specific activities by outside groups, based on the size of group, the complexities of the event, or the facilities being used. Custodial services needed beyond those normally scheduled will result in that organization being charged at the established rate. All extra custodial time required as a result of the organization's or individual's use of the facility will be charged to the lessee, including those receiving complimentary usage.
