

WAC 180-51-050 High school credit—Definition. As used in this chapter the term "high school credit" shall mean:

(1) Grades nine through twelve or the equivalent of a four-year high school program, or as otherwise provided in RCW 28A.230.090(4):

(a) Successful completion, as defined by written district policy, of courses taught to the state's learning standards. If there are no state-adopted learning standards for a subject, the local governing board, or its designee, shall determine learning standards for the successful completion of that subject; or

(b) Satisfactory demonstration by a student of proficiency/competency/mastery, as defined by written district policy, of the state's learning standards.

(2) College and university course work. At the college or university level, five quarter or three semester hours shall equal one high school credit: Provided, that for the purpose of this subsection, "college and university course work" means course work that generally is designated 100 level or above by the college or university.

(3) Community/technical college high school completion program - Diploma awarded by community/technical colleges. Five quarter or three semester hours of community/technical college high school completion course work shall equal one high school credit: Provided, that for purposes of awarding equivalency credit under this subsection, college and university high school completion course work includes course work that is designated below the 100 level by the college and the course work is developmental education at grade levels nine through twelve or the equivalent of a four-year high school program. (See also WAC 180-51-053)

(4) Community/technical college high school completion program - Diploma awarded by school district. A minimum of one-half and a maximum of one high school credit may be awarded for every five quarter or three semester hours of community/technical college high school completion course work: Provided, that for purposes of awarding equivalency credit under this subsection, college and university high school completion course work includes course work that is designated below the 100 level by the college and the course work is developmental education at grade levels nine through twelve or the equivalent of a four-year high school program. (See also WAC 180-51-053)

(5) Each high school district board of directors shall adopt a written policy for determining the awarding of equivalency credit authorized under subsection (4) of this section. The policy shall apply uniformly to all high schools in the district.

(6) Each high school district board of directors shall adopt a written policy regarding the recognition and acceptance of earned credits. The policy shall apply to all high schools in the district. The policy may include reliance on the professional judgment of the building principal or designee in determining whether or not a credit meets the district's standards for recognition and acceptance of a credit. The policy shall include an appeal procedure to the district if it includes reliance on the professional judgment of the building principal or designee.

(7) A student must first obtain a written release from their school district to enroll in a high school completion program under subsection (3) of this section if the student has not reached age eighteen or whose class has not graduated.
