(b) Provide eligibility determination reports with content and in a format designed and communicated by the SEBB program;

(c) Support SEBB program auditing of eligibility and enrollment decisions as needed; and

(d) Carry out corrective action and pay any penalties imposed by the health care authority (HCA) and established by the board when the SEBB organization's eligibility determinations fail to comply with the criteria under these rules.

(2) SEBB organizations must determine school employee eligibility for SEBB benefits and the employer contribution according to the criteria in WAC 182-31-040 and 182-31-050. SEBB organizations must:

(a) Notify newly hired school employees of SEBB program rules and guidance for eligibility and appeal rights;

(b) Inform a school employee in writing whether or not they are eligible for SEBB benefits upon employment. The written notice must include information about the school employee's right to appeal eligibility and enrollment decisions. A school employee eligible for SEBB benefits must have no less than ten calendar days after the date of notice to elect coverage;

(c) Routinely monitor all school employees work hours to establish eligibility and maintain the employer contribution toward SEBB benefits;

(d) Identify when a previously ineligible school employee becomes eligible or a previously eligible school employee loses eligibility; and

(e) Inform a school employee in writing whether or not they are eligible for SEBB benefits and the employer contribution whenever there is a change in work pattern such that the school employee's eligibility status changes. Whenever this occurs, SEBB organizations must inform the school employee of the right to appeal eligibility and enrollment decisions. A school employee eligible for SEBB benefits must

have no less than ten calendar days after the date of notice to elect coverage.

(3) SEBB organizations must determine school employee's dependents eligibility for SEBB benefits according to the criteria in WAC 182-31-140.

WAC 182-31-040 How do school employees establish eligibility for the employer contribution toward school employees benefits board (SEBB) benefits and when do SEBB benefits begin? (1) Eligibility shall be determined solely by the criteria that most closely describes the school employee's work circumstance.

(2) All hours worked by an employee in their capacity as a school employee must be included in the calculation of hours for determining eligibility. All hours for which a school employee receives compensation from a school employees benefits board (SEBB) organization during an approved leave (e.g., sick leave, personal leave, bereavement leave) or a paid holiday must be included when determining how many hours a school employee is anticipated to work, or did work, in the school year.

(3) A school employee may establish eligibility for the employer contribution toward SEBB benefits by stacking of hours from multiple positions within one SEBB organization. A school employee may not gain eligibility by stacking of hours from multiple SEBB organizations.

(4) School employee eligibility criteria shall be determined in the following order:

(a) A school employee is eligible for the employer contribution toward SEBB benefits if they are anticipated to work at least six hundred thirty hours per school year. The eligibility effective date shall be determined as follows:

(i) If the school employee's first day of work is on or after September 1st but not later than the first day of school for the current school year as established by the SEBB organization, they are eligible for the employer contribution on the first day of work; or

(ii) If the school employee's first day of work is at any other time during the school year, they are eligible for the employer contribution on that day.

(b) A school employee is presumed eligible for the employer contribution at the start of the school year, as described in (a) of this subsection, if they:

(i) Worked at least six hundred thirty hours in each of the previous two school years; and

(ii) Are returning to the same type of position (teacher, paraeducator, food service worker, custodian, etc.) or combination of positions with the same SEBB organization.

Note: A SEBB organization rebuts this presumption by notifying the school employee, in writing, of the specific reasons why the school employee is not anticipated to work at least six hundred thirty hours in the current school year and how to appeal the eligibility determination.

(c) A school employee who is not anticipated to work six hundred thirty hours within the school year because of the time of year they are hired but is anticipated to work at least six hundred thirty hours the next school year, establishes eligibility for the employer contribution toward SEBB benefits as of their first working day if they are:

(i) A nine to ten month school employee anticipated to be compensated for at least seventeen and one-half hours a week in six of the last eight weeks counting backwards from the week that contains the last day of school; or

(ii) A twelve month school employee anticipated to be compensated for at least seventeen and one-half hours a week in six of the last eight weeks counting backwards from the week that contains August 31st, the last day of the school year.

(d) A school employee who returns from approved leave without pay will maintain or establish eligibility for the employer contribution toward SEBB benefits if their work schedule, had it been in effect at the start of the school year, would have resulted in the school employee being anticipated to work the minimum hours to meet SEBB eligibility for the employer contribution in the school year. A school employee who regains eligibility under this subsection, establishes eligibility for the employer contribution toward SEBB benefits as of the date they returned from approved leave without pay.

(5) A school employee who is not anticipated to work at least six hundred thirty hours in the school year as described in subsection (4)(a) of this section, may later be eligible for SEBB benefits when:

(a) Their work pattern is revised in such a way that they are now anticipated to work six hundred thirty hours in the school year. The school employee becomes eligible for the employer contribution toward SEBB benefits on the date their work pattern is revised; or

(b) They actually worked six hundred thirty hours in the school year. The school employee becomes eligible for the employer contribution toward SEBB benefits on the date they actually worked six hundred thirty hours.

(6) If the school employee is not eligible under subsection (4) or (5) of this section, they may be eligible for SEBB benefits if their SEBB organization is engaging in local negotiations regarding eligibility for school employees as described in WAC 182-30-130.

(7) When SEBB benefits begin:

(a) For a school employee who establishes eligibility under subsection (4)(a)(i) of this section, medical, dental, vision, basic life insurance, basic accidental death and dismemberment (AD&D) insurance, employer-paid long-term disability (LTD) insurance, employee-paid LTD insurance (unless the school employee declines the employee-paid LTD insurance as described in WAC 182-30-080(1)), and if eligible, benefits under the salary reduction plan begin on the first day of work for the new school year. Supplemental life insurance and supplemental AD&D insurance begin on the first day of the month following the date the contracted vendor receives the required form or approves the enrollment.

(b) For a school employee who establishes eligibility under subsection (4)(a)(ii), (c), (d), or (5) of this section, medical, dental, vision, basic life insurance, basic AD&D insurance, employer-paid LTD insurance, employee-paid LTD insurance (unless the school employee declines the employee-paid LTD insurance as described in WAC 182-30-080(1)), and if eligible, benefits under the salary reduction plan begin on the first day of the month following the date the school employee becomes eligible for the employer contribution toward SEBB

benefits. Supplemental life insurance and supplemental AD&D insurance begin on the first day of the month following the date the contracted vendor receives the required form or approves the enrollment.

Exception: When a school employee establishes eligibility for the employer contribution toward SEBB benefits as described under subsection (4)(d) or (5) of this section, at any time in the month of August, SEBB benefits begin on September 1st only if the school employee is also determined to be eligible for the employer contribution toward SEBB benefits for the school year that begins on September 1st.

WAC 182-31-050 When does eligibility for the employer contribution for school employees benefits board (SEBB) benefits end? (1) The employer contribution toward school employees benefits board (SEBB) benefits ends the last day of the month in which the school year ends. The employer contribution toward SEBB benefits will end earlier than the end of the school year if one of the following occurs:

(a) The SEBB organization terminates the employment relationship. In this case, eligibility for the employer contribution ends the last day of the month in which the employer-initiated termination notice is effective;

(b) The school employee terminates the employment relationship. In this case, eligibility for the employer contribution ends the last day of the month in which the school employee's resignation is effective;

(c) The school employee's work pattern is revised such that the school employee is no longer anticipated to work six hundred thirty hours during the school year. In this case, eligibility for the employer contribution ends as of the last day of the month in which the change is effective;

(d) The school employee who returns from approved leave without pay, who maintained or established eligibility as described in WAC 182-31-040 (4)(d), and who subsequently has a change in work pattern that, had the work pattern been in effect at the start of the school year, would not have resulted in the school employee being anticipated to work the minimum hours to meet SEBB eligibility for the employer contribution in the school year. In this case, eligibility for the employer contribution ends as of the last day of the month in which the change is effective;

(e) The nine to ten month school employee hired late in the year and eligible for the employer contribution as described in WAC 182-31-040 (4)(c)(i), who subsequently has a change in work pattern such that the school employee is no longer eligible under the criteria described in WAC 182-31-040 (4)(c)(i). In this case, eligibility for the employer contribution ends as of the last day of the month in which the change is effective;

(f) The twelve month school employee hired late in the year and eligible for the employer contribution as described in WAC 182-31-040

(4)(c)(ii), who subsequently has a change in work pattern such that the school employee is no longer eligible under the criteria described in WAC 182-31-040 (4)(c)(ii). In this case, eligibility for the employer contribution ends as of the last day of the month in which the change is effective; or

(g) The school employee hired later in the year and eligible for the employer contribution as described in WAC 182-31-040 (4)(c), who is no longer anticipated to work six hundred thirty hours the next school year. In this case, eligibility for the employer contribution ends as of the last day of the month in which the change in the anticipation occurs.

(2) If the SEBB organization deducted the school employee's portion of the premium for SEBB insurance coverage from their pay after the school employee was no longer eligible for the employer contribution, SEBB benefits end the last day of the month for which school employee premiums were deducted to prevent a rescission of SEBB benefits. The SEBB organization must refund any premiums deducted for the school employee's portion of the premium that were deducted in advance of any month's coverage for which the school employee is no longer eligible for the employer contribution.

School employees eligible for the employer contribution toward school employees benefits board (SEBB) benefits are eligible to participate in the premium payment plan under the state's salary reduction plan. School employees eligible for SEBB benefits as described in WAC 182-31-040 may also elect to participate in the medical FSA or DCAP programs provided they elect participation within the time frames described in WAC 182-30-100.

WAC 182-31-070 Is dual enrollment in school employees benefits board (SEBB) and public employees benefits board (PEBB) prohibited? School employees benefits board (SEBB) medical, dental, and vision coverage is limited to a single enrollment per individual as described in subsections (1) through (5) of this section. Effective January 1, 2022, individuals are limited to a single enrollment in medical, dental, and vision plans in either the SEBB program or public employees

benefits board (PEBB) program as described in subsection (6) of this section.

(1) An individual who has more than one source of eligibility for enrollment in SEBB medical, SEBB dental, and SEBB vision coverage (called "dual eligibility") is limited to one enrollment.

(2) An eligible school employee may waive SEBB medical and enroll as a dependent under the SEBB medical plan of their spouse, state registered domestic partner, or parent as described in WAC 182-31-080.

(3) A dependent enrolled in SEBB medical, SEBB dental, or SEBB vision who becomes eligible for SEBB benefits as a school employee must elect to enroll in SEBB benefits as described in WAC 182-30-080(1). This includes making an election to enroll in or waive enrollment in SEBB medical as described in WAC 182-31-080 (1)(a).

(a) If the school employee does not waive enrollment in SEBB medical, the school employee is not eligible to remain enrolled in their spouse's, state registered domestic partner's, or parent's SEBB medical as a dependent. If the school employee's spouse, state registered domestic partner, or parent does not take action to remove the school employee (who is enrolled as a dependent) from their subscriber account, the SEBB program will automatically disenroll the school employee's enrollment as a dependent the last day of the month before the school employee's enrollment in SEBB benefits begins as described in WAC 182-31-040.

Exception:

An enrolled dependent who becomes newly eligible, at the start of the school year, for SEBB benefits as a school employee could be dual-enrolled in SEBB medical, dental, and vision for one month. This exception is only allowed for the first month the dependent is enrolled as a school employee.

(b) If the school employee elects to waive their enrollment in SEBB medical, the school employee will remain enrolled in SEBB medical under their spouse's, state registered domestic partner's, or parent's SEBB medical as a dependent.

(4) A child who is eligible for SEBB medical, SEBB dental, and SEBB vision under two subscribers may be enrolled under both subscribers but is limited to a single enrollment in SEBB medical, a single enrollment in SEBB dental, and a single enrollment in SEBB vision.

(5) When a school employee is eligible for the employer contribution toward SEBB benefits due to employment in more than one SEBB organization the following provisions apply:

(a) When a school employee is eligible for the employer contribution during a school year under WAC 182-31-040 and 182-30-130 the SEBB organization that has determined the school employee eligible under WAC 182-31-040 must make the employer contribution;

(b) If the school employee is eligible for the employer contribution under WAC 182-31-040 at two different SEBB organizations, the school employee must choose to enroll under only one SEBB organization;

(c) If the school employee is eligible for the employer contribution under WAC 182-30-130 at two different SEBB organizations, the school employee must choose to enroll under only one SEBB organization;

(d) If the school employee loses eligibility under one SEBB organization, they must notify their other SEBB organization no later than sixty days from the date of loss of the first SEBB benefits in order to transfer coverage;

(e) The school employee's elections remain the same when a school employee transfers their enrollment under one SEBB organization to another SEBB organization without a break in SEBB benefits for one month or more, as described in (d) of this subsection.

(6) An individual who has more than one source of eligibility for enrollment in the SEBB and PEBB programs is limited to a single enrollment in medical, dental, and vision plans in either the SEBB or PEBB program. If the individual takes no action to resolve the dual enrollment, the SEBB program or the PEBB program will automatically enroll or automatically disenroll the individual as described in this subsection.

(a) An eligible school employee may waive enrollment in SEBB medical to enroll in PEBB medical only if they are enrolled in PEBB dental as described in WAC 182-31-080. A school employee who waives enrollment in SEBB medical to enroll in PEBB medical also waives enrollment in SEBB dental and SEBB vision.

(b) An employee in the PEBB program who waives PEBB medical and PEBB dental for SEBB medical must be enrolled in SEBB dental and SEBB vision. If necessary, the SEBB program will automatically enroll the individual in the associated subscriber's SEBB dental and SEBB vision.

(c) If the school employee is enrolled only in SEBB dental and SEBB vision, and is also enrolled in PEBB medical, and no action is taken to resolve their dual enrollment, the school employee will remain in PEBB medical. The SEBB program will automatically disenroll the school employee from SEBB dental and SEBB vision in which they are enrolled. The school employee's enrollment in SEBB program life insurance, accidental death and dismemberment (AD&D) insurance, and long-term disability (LTD) insurance will remain.

(d) If the school employee is enrolled in SEBB medical and is also an employee in the PEBB program enrolled in PEBB medical, and the school employee has been enrolled in PEBB medical longer than they have been enrolled in SEBB medical, and no action is taken by the school employee to resolve their dual enrollment, they will remain in PEBB medical. The SEBB program will automatically disenroll the school employee from SEBB medical, SEBB dental, and SEBB vision. The school employee's enrollment in SEBB program life insurance, AD&D insurance, and LTD insurance will remain. If the school employee eligible under both the SEBB program as a school employee and the PEBB program as an employee is not enrolled in any medical, but is enrolled only in PEBB dental, SEBB dental, and SEBB vision, the school employee will remain in SEBB dental and SEBB vision. The PEBB program will automatically disenroll the employee from PEBB dental.

(e) If the school employee's dependent is enrolled in any SEBB medical, SEBB dental, or SEBB vision plan, and the dependent is also an employee in the PEBB program and enrolled in PEBB medical, and no action is taken by either the school employee or the dependent to resolve the dependent's dual enrollment, the school employee's dependent will remain in PEBB medical. The SEBB program will automatically disenroll the school employee's dependent from SEBB medical, SEBB dental, and SEBB vision in which they are enrolled.

(f) If the school employee's dependent is enrolled in both SEBB medical and PEBB medical as a dependent and has been enrolled in PEBB medical longer than they have been enrolled in SEBB medical, and no action is taken to resolve the dual enrollment, the school employee's dependent will remain in PEBB medical. The SEBB program will automatically disenroll the school employee's dependent from SEBB medical, SEBB dental, and SEBB vision if they are enrolled. If the school employee's dependent who is eligible as a dependent in both the SEBB and PEBB programs is not enrolled in any medical but is enrolled only in PEBB dental and SEBB vision (with or without SEBB dental) as a dependent, the dependent will remain in SEBB vision and if enrolled, SEBB

dental. The PEBB program will automatically disenroll the dependent from PEBB dental.

Exception: If there is a National Medical Support Notice (NMSN) or a court order in place, enrollment will be in accordance with the NMSN or order.

(g) If the school employee's dependent, who is also an employee in the PEBB program who the PEBB program automatically disenrolled from PEBB dental, the SEBB program will automatically enroll the school employee's dependent in SEBB vision. The SEBB program will also automatically enroll the school employee's dependent in SEBB dental, if they are not already enrolled.

(h) If the school employee who is eligible for the employer contribution toward SEBB benefits was enrolled as a dependent in PEBB medical and PEBB dental and is removed by the PEBB subscriber, the school employee will be required to return from waived enrollment as described in WAC 182-31-080 (3) (b).

WAC 182-31-080 When may a school employee waive enrollment in school employees benefits board (SEBB) medical and when may they enroll in SEBB medical after having waived enrollment? A school employee may waive enrollment in school employees benefits board (SEBB) medical only if they are enrolled in other employer-based group medical, a TRICARE plan, or medicare as described in subsection (1)(a) through (c) of this section. A school employee who waives enrollment in SEBB medical must enroll in SEBB dental, SEBB vision, basic life insurance, basic accidental death and dismemberment (AD&D) insurance, and employer-paid long-term disability (LTD) insurance. A school employee will also be enrolled in employee-paid LTD insurance automatically unless the school employee declines their employee-paid LTD insurance as described in WAC 182-30-080.

Exception: A school employee may waive their enrollment in SEBB medical to enroll in public employees benefits board (PEBB) medical only if they are enrolled in PEBB dental. A school employee who waives enrollment in SEBB medical to enroll in PEBB medical also waives enrollment in SEBB dental and SEBB vision.

(1) To waive enrollment in SEBB medical, the school employee must submit the required form to their SEBB organization at one of the following times:

(a) **When the school employee becomes eligible:** A school employee may waive SEBB medical when they become eligible for SEBB benefits. The school employee must indicate their election to waive enrollment in SEBB medical on the required form and submit the form to their SEBB organization. The SEBB organization must receive the form no later than thirty-one days after the date the school employee becomes eligible for SEBB benefits (see WAC 182-30-080). SEBB medical will be waived as of the date the school employee becomes eligible for SEBB benefits.

(b) **During the annual open enrollment:** A school employee may waive SEBB medical during the annual open enrollment. The required

form must be received by the school employee's SEBB organization before the end of the annual open enrollment. SEBB medical will be waived beginning January 1st of the following year.

(c) **During a special open enrollment:** A school employee may waive SEBB medical during a special open enrollment only if they are enrolled in other employer-based group medical, a TRICARE plan, or medicare as described in subsection (4) of this section. A special open enrollment event must be an event other than a school employee gaining initial eligibility or regaining eligibility for SEBB benefits.

The school employee must submit the required form to their SEBB organization. The SEBB organization must receive the form no later than sixty days after the event that creates the special open enrollment. In addition to the required form, the school employee must provide evidence of the event that creates the special open enrollment to their SEBB organization.

SEBB medical will be waived the last day of the month following the later of the event date or the date the required form is received. If that day is the first of the month, SEBB medical will be waived the last day of the previous month. If the special open enrollment is due to the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption of a child, SEBB medical will be waived the last day of the previous month.

(2) If a school employee waives SEBB medical, the school employee may not enroll dependents in SEBB medical.

(3) Once SEBB medical is waived, the school employee is only allowed to enroll in SEBB medical at the following times:

(a) During the annual open enrollment. The required form must be received by the school employee's SEBB organization before the end of the annual open enrollment. SEBB medical will begin January 1st of the following year.

(b) During a special open enrollment. A special open enrollment allows a school employee to revoke their election and make a new election outside of the annual open enrollment. A special open enrollment may be created when one of the events described in subsection (4) of this section occurs.

The school employee must submit the required form to their SEBB organization. The SEBB organization must receive the form no later than sixty days after the event that creates the special open enrollment. In addition to the required form, the school employee must provide evidence of the event that creates the special open enrollment to the SEBB organization.

SEBB medical will begin the first day of the month following the later of the event date or the date the required form is received. If that day is the first of the month, coverage is effective on that day. If the special open enrollment is due to the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption of a child, SEBB medical for the school employee will begin on the first day of the month in which the event occurs. SEBB medical for the newly born child, newly adopted child, spouse, or state-registered domestic partner will begin as described in WAC 182-31-150 (3) (a) (iv).

If a school employee who is eligible for the employer contribution toward SEBB benefits was enrolled as a dependent in PEBB medical and PEBB dental and is removed by the PEBB subscriber, the health care authority will notify the school employee of their removal from the PEBB subscriber's account and that they have experienced a special enrollment event. The school employee will be required to return from

waived enrollment and elect SEBB medical, SEBB dental, and SEBB vision. If the school employee's SEBB organization does not receive the school employee's required forms indicating their medical, dental, and vision elections within sixty days of the school employee losing PEBB medical and PEBB dental, they will be defaulted into employee-only SEBB medical, SEBB dental, and SEBB vision as described in WAC 182-30-080 (1)(b)(i) through (iii).

(4) **Special open enrollment:** Any one of the events in (a) through (k) of this subsection may create a special open enrollment that allows the school employee to enroll in SEBB medical after having waived enrollment. The change in enrollment must be allowable under the Internal Revenue Code (IRC) and Treasury regulations, and correspond to and be consistent with the event that creates the special open enrollment for the school employee, the school employee's dependent, or both.

(a) School employee acquires a new dependent due to:

(i) Marriage or registering a state registered domestic partnership;

(ii) Birth, adoption, or when the school employee has assumed a legal obligation for total or partial support in anticipation of adoption; or

(iii) A child becoming eligible as an extended dependent through legal custody or legal guardianship.

(b) School employee or a school employee's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

(c) School employee has a change in employment status that affects the school employee's eligibility for their employer contribution toward their employer-based group medical;

(d) The school employee's dependent has a change in their own employment status that affects their eligibility for the employer contribution under their employer-based group medical;

Note: As used in (d) of this subsection "employer contribution" means contributions made by the dependent's current or former employer toward health coverage as described in Treasury Regulation 26 C.F.R. 54.9801-6.

(e) School employee or a school employee's dependent has a change in enrollment under an employer-based group medical plan during its annual open enrollment that does not align with the SEBB program's annual open enrollment;

(f) School employee's dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States and that change in residence results in the dependent losing their health insurance;

(g) A court order requires the school employee or any other individual to provide a health plan for an eligible dependent of the school employee (a former spouse or former state registered domestic partner is not an eligible dependent);

(h) School employee or a school employee's dependent enrolls in coverage under medicaid or a state children's health insurance program (CHIP), or the school employee or a school employee's dependent loses eligibility for coverage under medicaid or CHIP;

Note: A school employee may only return from having waived SEBB medical for the events described in (h) of this subsection. A school employee may not waive their SEBB medical for the events described in (h) of this subsection.

(i) School employee or a school employee's dependent becomes eligible for state premium assistance subsidy for SEBB health plan coverage from medicaid or CHIP;

(j) School employee or a school employee's dependent becomes eligible and enrolls in a TRICARE plan, or loses eligibility for a TRICARE plan;

(k) School employee becomes eligible and enrolls in medicare, or loses eligibility for medicare.

WAC 182-31-090 When is an enrollee eligible to continue school employees benefits board (SEBB) benefits under Consolidated Omnibus Budget Reconciliation Act (COBRA)?

(1) A school employee or a school employee's dependent who loses eligibility for the employer contribution toward school employees benefits board (SEBB) benefits and who qualifies for continuation coverage under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA) may continue coverage for all or any combination of SEBB medical, dental, or vision.

(2) A school employee or a school employee's dependent who loses eligibility for continuation coverage described in WAC 182-31-100, 182-31-110, or 182-31-120 but who has not used the maximum number of months allowed under COBRA may continue any combination of SEBB medical, dental, or vision for the remaining difference in months.

(3) An enrollee may continue SEBB medical, dental, or vision under COBRA by self-paying the premium and applicable premium surcharges set by the health care authority (HCA):

(a) The election must be received by the SEBB program no later than sixty days from the date the enrollee's SEBB health plan coverage ended or from the postmark date on the election notice sent by the SEBB program, whichever is later;

(b) The first premium payment under COBRA coverage and applicable premium surcharges are due to the HCA no later than forty-five days after the election period ends as described in (a) of this subsection. Following the enrollee's first premium payment, premiums and applicable premium surcharges must be paid as described in WAC 182-30-040 (1) (c);

(c) COBRA continuation coverage enrollees who voluntarily terminate their COBRA coverage will not be eligible to reenroll in COBRA coverage unless they regain eligibility as described in WAC 182-31-040. Those who request to terminate their COBRA coverage must do so in writing. COBRA coverage will end on the last day of the month in which the SEBB program receives the termination request or on the last day of the month specified in the COBRA enrollee's termination request, whichever is later. If the termination request is received on the first day of the month, COBRA coverage will end on the last day of the previous month;

(d) A school employee enrolled in a medical flexible spending arrangement (FSA) and the school employee's dependents will have an opportunity to continue making contributions to their medical FSA by electing COBRA if on the date of the qualifying event, as described

under 42 U.S.C. Sec. 300bb-3, the school employee's medical FSA has a greater amount in remaining benefits than remaining contribution payments for the current year. The election must be received by the contracted vendor no later than sixty days from the date the SEBB health plan coverage ended or from the postmark date on the election notice sent by the contracted vendor, whichever is later. The first premium payment under COBRA coverage is due to the contracted vendor no later than forty-five days after the election period ends as described above.

(4) A subscriber's state registered domestic partner and the state registered domestic partner's children may continue SEBB medical, dental, or vision on the same terms and conditions as spouses and other eligible dependents under COBRA as described under RCW 26.60.015.

(5) Medical, dental, and vision coverage under COBRA begin on the first day of the month following the day the COBRA enrollee loses eligibility for SEBB health plan coverage as described in WAC 182-31-050, 182-31-100, 182-31-120, or 182-31-140.

(6) An enrollee's COBRA coverage will terminate at the end of the month when they become eligible for medicare due to turning age sixty-five or older, or when enrolled in medicare due to a disability.

WAC 182-31-100 What options for continuation coverage are available to school employees and their dependents during certain types of leave or when employment ends due to a layoff? School employees who have established eligibility for school employees benefits board (SEBB) benefits as described in WAC 182-31-040 may continue coverage for themselves and their dependents during certain types of leave or when their employment ends due to a layoff.

(1) School employees who are no longer eligible for the employer contribution toward SEBB benefits due to an event described in (b)(i) through (v) of this subsection may continue coverage by self-paying the premium and applicable premium surcharges set by the health care authority (HCA) from the date eligibility for the employer contribution is lost:

(a) School employees may continue any combination of medical, dental, or vision, and may also continue life insurance and accidental death and dismemberment (AD&D) insurance. If life insurance or AD&D insurance is elected, both basic life and basic AD&D insurance must be continued. School employees who continue basic life insurance and basic AD&D insurance may also continue supplemental life and AD&D insurance;

(b) School employees in the following circumstances who lose their eligibility for the employer contribution toward SEBB benefits qualify to continue coverage under this subsection:

- (i) School employees who are on authorized leave without pay;
- (ii) School employees who are receiving time-loss benefits under workers' compensation;

(d) School employees may self-pay for a maximum of twenty-nine months. The school employee's first premium payment and applicable premium surcharges are due no later than forty-five days after the election period ends as described in (c) of this subsection.

Premiums and applicable premium surcharges associated with continuing SEBB medical, must be made to the HCA as well as premiums associated with continuing SEBB dental and vision insurance coverage. Premiums associated with continuing life insurance coverage or AD&D insurance coverage must be made to the contracted vendor. Following the school employee's first premium payment, the school employee must pay the premium amounts for SEBB insurance coverage and applicable premium surcharges as premiums become due; and

(e) If the school employee's monthly premium or applicable premium surcharges remain unpaid for sixty days from the original due date, the school employee's SEBB insurance coverage will be terminated retroactive to the last day of the month for which the monthly premium and applicable premium surcharges were paid as described in WAC 182-30-040 (1)(c).

(2) The number of months that school employees self-pay the premium while eligible as described in subsection (1) of this section will count toward the total months of continuation coverage allowed under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA). School employees who are no longer eligible for continuation coverage as described in subsection (1) of this section but who have not used the maximum number of months allowed under COBRA coverage may continue medical, dental, vision, or any combination of them for the remaining difference in months by self-paying the premium and applicable premium surcharges as described in WAC 182-31-090.

The school employee may also continue current supplemental life, supplemental accidental death and dismemberment (AD&D), and employee-paid long-term disability (LTD) insurance. WAC 182-31-120 What options for continuation coverage are available to school employees during their appeal of a grievance? (1) A school employee awaiting the hearing outcome of a grievance action before any of the following may continue their school employees benefits board (SEBB) insurance coverage by self-paying the premium and applicable premium surcharges set by the health care authority (HCA), with no contribution from the SEBB organization, on the same terms as a school employee who is granted leave as described in WAC 182-31-100(1):

- (a) An arbitrator;
- (b) A grievance or appeals committee established under a collective bargaining agreement for union represented employees; or
- (c) A court.

(2) The school employee must pay premium amounts and applicable premium surcharges associated with SEBB insurance coverage as premiums and applicable premium surcharges become due. If the monthly premium or applicable premium surcharges remain unpaid for sixty days from the original due date, SEBB insurance coverage will be terminated retroactive to the last day of the month for which the monthly premium and applicable premium surcharges were paid as described in WAC 182-30-040 (1)(c).

(3) If the dismissal is upheld, all SEBB insurance coverage will terminate at the end of the month in which the decision is entered, or the date to which premiums have been paid, whichever is later, with the exception described in subsection (4) of this section.

(4) If the dismissal is upheld and the school employee is eligible under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA), the school employee may continue SEBB medical, dental, vision, or any combination of them for the remaining months available under COBRA. See WAC 182-31-090 for information on COBRA. The number

of months the school employee self-paid premiums during the appeal will count toward the total number of months allowed under COBRA.

(5) If the arbitrator, committee, or court sustains the school employee in the appeal and directs reinstatement of SEBB organization paid SEBB insurance coverage retroactively, the SEBB organization must forward to HCA the full employer contribution for the period directed by the arbitrator, committee, or court and collect from the school employee the school employee's share of premiums due, if any.

(a) When the employer contribution is reinstated, HCA will refund premiums and applicable premium surcharges the school employee paid only if the school employee retroactively pays their employee contribution amounts for SEBB benefits. In the alternative, at the request of the school employee, HCA may deduct the school employee's contribution amount for SEBB benefits from the refund of premiums and applicable premium surcharges self-paid by the school employee during the appeal period.

(b) All supplemental life insurance, supplemental accidental death and dismemberment (AD&D) insurance, and employee-paid long-term disability (LTD) insurance that was in force at the time of dismissal shall be reinstated retroactively only if the school employee makes retroactive payment of premium for any such supplemental coverage and employee-paid LTD insurance that was not continued by self-payment during the appeal process. If the school employee chooses not to pay the retroactive premium, evidence of insurability will be required to enroll in such supplemental coverage and employee-paid LTD insurance.

WAC 182-31-130 What options for continuation coverage are available to dependents who cease to meet the eligibility criteria as described in WAC 182-31-140 or 182-30-130? If eligible, dependents may continue health plan enrollment under one of the continuation coverage options in subsection (1) or (2) of this section by self-paying the premiums and applicable premium surcharges set by the health care authority (HCA), with no contribution from the school employees benefits board (SEBB) organization, following their loss of eligibility under the subscriber's health plan coverage. The dependent's first premium payment and applicable premium surcharges are due no later than forty-five days after the dependent's election period ends as described in WAC 182-31-090 or 182-12-265, whichever applies. Premiums and applicable premium surcharges associated with continuing SEBB medical, must be made to the HCA as well as premiums associated with continuing SEBB dental or SEBB vision insurance coverage. Following the dependent's first premium payment, the dependent must pay premium and applicable premium surcharges as they become due. If the monthly premium or applicable premium surcharges remain unpaid for sixty days from the original due date, SEBB insurance coverage will be terminated retroactive to the last day of the month for which the monthly premium and applicable premium surcharges were paid as described in WAC 182-30-040

(1)(c). The SEBB program must receive the required forms as outlined in the SEBB initial notice of COBRA and continuation coverage rights. Options for continuing health plan enrollment are based on the reason that eligibility was lost.

(1) Dependents who lose eligibility due to the death of a school employee may be eligible to continue health plan enrollment as described in WAC 182-12-265; or

(2) Dependents who lose eligibility because they no longer meet the eligibility criteria as described in WAC 182-31-140 are eligible to continue SEBB medical, dental, or vision under provisions of the federal Consolidated Omnibus Budget Reconciliation Act (COBRA). See WAC 182-31-090 for more information on COBRA.

(3) A subscriber's state registered domestic partner and the state registered domestic partner's children may continue SEBB medical, dental, or vision on the same terms and conditions as spouses and other eligible dependents under COBRA as described under RCW 26.60.015.

(4) No continuation coverage will be offered unless the SEBB program is notified through hand delivery or United States Postal Service mail of the qualifying event as outlined in the SEBB initial notice of COBRA and continuation coverage rights.

WAC 182-31-135 Where may school employee survivors go for additional coverage options? A school employee's spouse, state registered domestic partner, or child who loses eligibility for the employer contribution toward school employees benefits board (SEBB) benefits due to the death of an eligible school employee may be eligible to enroll in or defer enrollment as a survivor under public employees benefits board (PEBB) retiree insurance coverage as described in WAC 182-12-265 rather than enrolling in continuation coverage.

WAC 182-31-140 Who are eligible dependents? To be enrolled in SEBB health plan coverage, a dependent must be eligible under this section and the subscriber must comply with enrollment procedures outlined in WAC 182-31-150.

The school employees benefits board (SEBB) program verifies the eligibility of all dependents and will request documents from subscribers that provide evidence of a dependent's eligibility. The SEBB program reserves the right to review a dependent's eligibility at any time. The SEBB program will remove a subscriber's enrolled dependents from health plan coverage if the SEBB program is unable to verify a dependent's eligibility. A dependent will not be enrolled in SEBB health plan coverage if the SEBB program or the SEBB organization is

unable to verify the dependent's eligibility within the SEBB program enrollment timelines.

The subscriber must provide notice, in writing, when their dependent is not eligible under this section as described in WAC 182-31-150 (2) (a).

The following are eligible as dependents:

(1) Legal spouse. A former spouse is not an eligible dependent upon finalization of a divorce or annulment, even if a court order requires the subscriber to provide health insurance for the former spouse;

(2) State registered domestic partner. A former state registered domestic partner is not an eligible dependent upon dissolution or termination of a partnership, even if a court order requires the subscriber to provide health insurance for the former partner;

(3) Children. Children are eligible through the last day of the month in which their twenty-sixth birthday occurred except as described in (f) of this subsection. Children are defined as the subscriber's:

(a) Children based on establishment of a parent-child relationship as described in RCW 26.26A.100, except when parental rights have been terminated;

(b) Children of the subscriber's spouse, based on the spouse's establishment of a parent-child relationship, except when parental rights have been terminated. The stepchild's relationship to the subscriber (and eligibility as a dependent) ends on the same date the marriage with the spouse ends through divorce, annulment, dissolution, termination, or death;

(c) Children of the subscriber's state registered domestic partner, based on the state registered domestic partner's establishment of a parent-child relationship, except when parental rights have been terminated. The child's relationship to the subscriber (and eligibility as a dependent) ends on the same date the subscriber's legal relationship with the state registered domestic partner ends through divorce, annulment, dissolution, termination, or death;

(d) Children for whom the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption of the child;

(e) Children specified in a court order or divorce decree for whom the subscriber has a legal obligation to provide support or health care coverage;

(f) Children of any age with a developmental or physical disability that renders the child incapable of self-sustaining employment and chiefly dependent upon the subscriber for support and maintenance provided such condition occurs before the age of twenty-six:

(i) The subscriber must provide proof of the disability and dependency within sixty days of the child's attainment of age twenty-six;

(ii) The subscriber must notify the SEBB program, in writing, when the child is no longer eligible under this subsection as described in WAC 182-31-150 (2) (a);

(iii) A child with a developmental or physical disability who becomes self-supporting is not eligible under this subsection as of the last day of the month in which they become capable of self-support;

(iv) A child with a developmental or physical disability age twenty-six and older who becomes capable of self-support does not regain eligibility if they later become incapable of self-support; and

(v) The SEBB program with input from the applicable contracted vendor will periodically verify the eligibility of a dependent child with a disability beginning at age twenty-six, but no more frequently than annually after the two-year period following the child's twenty-sixth birthday. Verification will require renewed proof of disability and dependence from the subscriber.

(g) Extended dependent in the legal custody or legal guardianship of the subscriber, the subscriber's spouse, or the subscriber's state registered domestic partner. The legal responsibility is demonstrated by a valid court order and the child's official residence with the custodian or guardian. Extended dependent child does not include a foster child unless the subscriber, the subscriber's spouse, or the subscriber's state registered domestic partner has assumed a legal obligation for total or partial support in anticipation of adoption.

WAC 182-31-150 When may subscribers enroll or remove eligible dependents? (1) **Enrolling dependents in school employees benefits board (SEBB) health plan coverage and the effective date of supplemental dependent life insurance and accidental death and dismemberment (AD&D) insurance.** A dependent must be enrolled in the same health plan coverage as the subscriber, and the subscriber must be enrolled to enroll their dependent. Subscribers must satisfy the enrollment requirements as described in subsection (4) of this section and may enroll eligible dependents at the following times:

(a) **When the subscriber becomes eligible** and enrolls in SEBB benefits. If eligibility is verified the dependent's effective date will be as follows:

(i) SEBB health plan coverage will be the same as the subscriber's effective date;

(ii) Supplemental dependent life or AD&D insurance, if elected, will be effective the first day of the month following the date the contracted vendor receives the required form or approves the enrollment. A newly born child must be at least fourteen days old before supplemental dependent life insurance or AD&D insurance coverage is effective.

(b) **During the annual open enrollment.** SEBB health plan coverage begins January 1st of the following year;

(c) **During special open enrollment.** Subscribers may enroll dependents during a special open enrollment as described in subsection (3) of this section;

(d) **When a National Medical Support Notice (NMSN)** requires a subscriber to cover a dependent child as described in WAC 182-31-160; or

(e) **Any time during the calendar year for supplemental dependent life insurance or AD&D insurance** by submitting the required form to the contracted vendor for approval. Evidence of insurability may be required for supplemental dependent life insurance but will not be required for supplemental AD&D insurance.

(2) **Removing dependents from SEBB health plan coverage or supplemental dependent life insurance or AD&D insurance.**

(a) **A dependent's eligibility for enrollment in SEBB health plan coverage or supplemental dependent life insurance or AD&D insurance ends the last day of the month the dependent** meets the eligibility criteria as described in WAC 182-31-140. Subscribers must provide notice when a dependent is no longer eligible due to divorce, annulment, dissolution, or qualifying event of dependent ceasing to be eligible as a dependent child as described in WAC 182-31-140(3). The notice must be received within sixty days of the last day of the month the dependent loses eligibility for SEBB health plan coverage. School employees must notify their SEBB organization when a dependent is no longer eligible except as required under WAC 182-31-140 (3)(f)(ii). All other subscribers must notify the SEBB program. Consequences for not submitting notice within the required sixty days include, but are not limited to:

(i) The dependent may lose eligibility to continue SEBB medical, dental, or vision under one of the continuation coverage options described in WAC 182-31-130;

(ii) The subscriber may be billed for claims paid by the health plan for services that were rendered after the dependent lost eligibility as described in WAC 182-31-130;

(iii) The subscriber may not be able to recover subscriber-paid insurance premiums for dependents that lost their eligibility; and

(iv) The subscriber may be responsible for premiums paid by the state for the dependent's health plan coverage after the dependent lost eligibility.

(b) **School employees have the opportunity to remove eligible dependents:**

(i) During the annual open enrollment. The dependent will be removed from SEBB health plan coverage the last day of December;

(ii) During a special open enrollment as described in subsections (3) and (4)(f) of this section;

(iii) When a NMSN requires a spouse, former spouse, or other individual to provide health plan coverage for a dependent who is already enrolled in SEBB coverage, and that health plan coverage is in fact provided as described in WAC 182-31-160(2); or

(iv) Any time during the calendar year from supplemental dependent life or AD&D insurance by submitting the required form to the contracted vendor.

(c) **Enrollees with SEBB continuation coverage as described in WAC 182-31-090 and 182-31-100 may remove dependents** from their SEBB health plan coverage outside of the annual open enrollment or a special open enrollment by providing written notice to the SEBB program. The dependent will be removed from the subscriber's SEBB health plan coverage prospectively. SEBB health plan coverage will end on the last day of the month in which the written notice is received by the SEBB program or on the last day of the month specified in the subscriber's written notice, whichever is later. If the written notice is received on the first day of the month, SEBB health plan coverage will end on the last day of the previous month. SEBB continuation coverage enrollees may remove supplemental dependent life or AD&D insurance any time during the calendar year by submitting the required form to the contracted vendor.

(3) **Special open enrollment.**

(a) Subscribers may enroll or remove their eligible dependents outside of the annual open enrollment if a special open enrollment

event occurs. The change in enrollment must be allowable under the Internal Revenue Code and Treasury regulations, and correspond to and be consistent with the event that creates the special open enrollment for the subscriber, the subscriber's dependents, or both.

(i) SEBB health plan coverage will begin the first of the month following the later of the event date or the date the required form is received. If that day is the first of the month, the change in enrollment begins on that day.

(ii) SEBB health plan coverage for an extended dependent or a dependent with a disability will begin the first day of the month following the later of the event date or eligibility certification.

(iii) The dependent will be removed from the subscriber's SEBB health plan coverage the last day of the month following the later of the event date or the date the required form and proof of the event is received. If that day is the first of the month, the change in enrollment will be made the last day of the previous month.

(iv) If the special open enrollment is due to the birth or adoption of a child, or when the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption of a child, SEBB health plan coverage will begin or end as follows:

- For the newly born child, SEBB health plan coverage will begin the date of birth;

- For a newly adopted child, SEBB health plan coverage will begin on the date of placement or the date a legal obligation is assumed in anticipation of adoption, whichever is earlier;

- For a spouse or state registered domestic partner of a subscriber, SEBB health plan coverage will begin the first day of the month in which the event occurs. The spouse or state registered domestic partner will be removed from SEBB health plan coverage the last day of the month in which the event occurred.

(b) Any one of the following events may create a special open enrollment:

(i) Subscriber acquires a new dependent due to:

- Marriage or registering a state registered domestic partnership;

- Birth, adoption, or when a subscriber has assumed a legal obligation for total or partial support in anticipation of adoption; or

- A child becoming eligible as an extended dependent through legal custody or legal guardianship.

(ii) Subscriber or a subscriber's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

(iii) Subscriber has a change in employment status that affects the subscriber's eligibility for their employer contribution toward their employer-based group health plan;

(iv) The subscriber's dependent has a change in their own employment status that affects their eligibility for the employer contribution under their employer-based group health plan;

Note: As used in (iv) of this subsection "employer contribution" means contributions made by the dependent's current or former employer toward health coverage as described in Treasury Regulation 54.9801-6.

(v) Subscriber or a subscriber's dependent has a change in enrollment under an employer-based group health plan during its annual open enrollment that does not align with the SEBB program's annual open enrollment;

(vi) Subscriber's dependent has a change in residence from outside of the United States to within the United States, or from within

the United States to outside of the United States and that change in residence results in the dependent losing their health insurance;

(vii) A court order requires the subscriber or any other individual to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former state registered domestic partner is not an eligible dependent);

(viii) Subscriber or a subscriber's dependent enrolls in coverage under medicaid or a state children's health insurance program (CHIP), or the subscriber or a subscriber's dependent loses eligibility for coverage under medicaid or CHIP;

(ix) Subscriber or a subscriber's dependent becomes eligible for state premium assistance subsidy for SEBB health plan coverage from medicaid or CHIP;

(x) Subscriber's dependent enrolls in medicare, or loses eligibility for medicare.

(4) Enrollment requirements. A subscriber must submit the required forms within the time frames described in this subsection. For SEBB health plan coverage, a school employee must submit the required forms to their SEBB organization, a subscriber on continuation coverage must submit the required forms to the SEBB program. In addition to the required forms indicating dependent enrollment, the subscriber must provide the required documents as evidence of the dependent's eligibility; or as evidence of the event that created the special open enrollment. All required forms and documents must be received within the required time frames. A school employee enrolling a dependent in supplemental life insurance or AD&D insurance must submit the required form to the contracted vendor for approval within the required time frames.

Note: When enrolling a state registered domestic partner or a state registered domestic partner's child, a subscriber must certify that the state registered domestic partner or state registered domestic partner's child is a tax dependent on the required form; otherwise, the SEBB program will assume the state registered domestic partner or state registered domestic partner's child is not a tax dependent.

(a) If a subscriber wants to enroll their eligible dependents in SEBB health plan coverage or supplemental dependent life or AD&D insurance when the subscriber becomes eligible to enroll in SEBB benefits, the subscriber must include the dependent's enrollment information on the required forms and submit them within the required time frame as described in WAC 182-30-060 and 182-30-080.

(b) If a subscriber wants to enroll eligible dependents in SEBB health plan coverage during the SEBB annual open enrollment period, the required forms must be received no later than the last day of the annual open enrollment.

(c) If a subscriber wants to enroll newly eligible dependents, the required forms must be received no later than sixty days after the dependent becomes eligible. A school employee enrolling a dependent in supplemental life insurance or AD&D insurance must submit the required form to the contracted vendor for approval. A school employee may enroll a dependent in supplemental life insurance up to the guaranteed issue coverage amount without evidence of insurability if the required form is submitted to the contracted vendor as required. Evidence of insurability will be required for supplemental dependent life insurance over the guaranteed issue coverage amount. Evidence of insurability is not required for supplemental AD&D insurance.

(d) If a subscriber wants to enroll a newborn or child whom the subscriber has adopted or has assumed a legal obligation for total or partial support in anticipation of adoption in SEBB health plan coverage, the subscriber should notify the SEBB program by submitting the required forms as soon as possible to ensure timely payment of claims.

If adding the child increases the premium, the required forms must be received no later than sixty days after the date of the birth, adoption, or the date the legal obligation is assumed for total or partial support in anticipation of adoption. A school employee enrolling a dependent in supplemental life insurance or AD&D insurance must submit the required form to the contracted vendor for approval. A newly born child must be at least fourteen days old before supplemental dependent life insurance or AD&D insurance coverage can become effective.

(e) If the subscriber wants to enroll a child age twenty-six or older as a child with a disability in SEBB health plan coverage, the required forms must be received no later than sixty days after the child reaches age twenty-six or within the relevant time frame described in (a), (b), and (f) of this subsection. To recertify an enrolled child with a disability, the required forms must be received by the SEBB program or the contracted vendor by the child's scheduled SEBB health plan coverage termination date.

(f) If the subscriber wants to change a dependent's enrollment status in SEBB health plan coverage during a special open enrollment, the required forms must be received no later than sixty days after the event that creates the special open enrollment.

(g) A school employee may enroll a dependent in supplemental life insurance or AD&D insurance at any time during the calendar year by submitting the required form to the contracted vendor for approval. Evidence of insurability may be required for supplemental dependent life insurance but will not be required for supplemental AD&D insurance.

School employees submit the required forms to their school employees benefits board (SEBB) organization. Subscribers on continuation coverage submit the required forms to the SEBB program;

WAC 182-31-190 School employees benefits board (SEBB) wellness incentive program eligibility and procedural requirements. The board annually determines the design of the SEBB wellness incentive program.

(1) All subscribers are eligible to participate in the SEBB wellness incentive program.

(2) Effective January 1, 2020, to receive the SEBB wellness incentive of a reduction to the subscriber's medical plan deductible or a deposit to the subscriber's health savings account for the following plan year, eligible subscribers must complete SEBB wellness incentive

program requirements during the current plan year by the following deadline:

(a) For subscribers continuing enrollment in SEBB medical and subscribers enrolling in SEBB medical with an effective date in January through September, the deadline is November 30th; or

(b) For subscribers enrolling in SEBB medical with an effective date in October through December, the deadline is December 31st.

(3) Subscribers who do not complete the requirements according to subsection (2) of this section within the time frame described are not eligible to receive a SEBB wellness incentive the following plan year.

Note: All eligible subscribers can earn a wellness incentive. Subscribers who cannot complete the wellness incentive program requirements may be able to earn the same incentive by different means. The contracted vendor will work with enrollees (and their physician, if they wish) to define an individual wellness program that provides the opportunity to qualify for the same incentive in light of the enrollee's health status.

(4) A SEBB wellness incentive will be provided only if:

(a) For the wellness incentive described in subsection (2) of this section the subscriber is still eligible for the SEBB wellness incentive program and is enrolled in a SEBB medical plan in the year the incentive applies;

(b) The funding rate provided by the legislature is designed to provide a SEBB wellness incentive program or a SEBB wellness incentive, or both; or

(c) Specific appropriations are provided for wellness incentives.
