WAC 182-507-0110 Washington apple health—Alien medical programs. (1) To qualify for an alien medical program (AMP) a person must:

(a) Be ineligible for federally funded Washington apple health (WAH) programs due to the citizenship/alien status requirements described in WAC 182-503-0535;

(b) Meet the requirements described in WAC 182-507-0115, 182-507-0120, or 182-507-0125; and

(c) Meet all categorical and financial eligibility criteria for one of the following programs, except for the Social Security number or citizenship/alien status requirements:

(i) An SSI-related medical program described in chapters 182-511 and 182-512 WAC;

(ii) A MAGI-based program referred to in WAC 182-503-0510; or

(iii) The breast and cervical cancer treatment program for women described in WAC 182-505-0120; or

(iv) A medical extension described in WAC 182-523-0100.

(2) AMP medically needy (MN) health care coverage is available only for children, pregnant women and persons who meet SSI-related criteria. See WAC 182-519-0100 for MN eligibility and WAC 182-519-0110 for spending down excess income under the MN program.

(3) The agency or its designee does not consider a person's date of arrival in the United States when determining eligibility for AMP.

(4) For non-MAGI-based programs, the agency or its designee does not consider a sponsor's income and resources when determining eligibility for AMP, unless the sponsor makes the income or resources available. Sponsor deeming does not apply to MAGI-based programs.

(5) A person is not eligible for AMP if that person entered the state specifically to obtain medical care.

(6) A person who the agency or its designee determines is eligible for AMP may be eligible for retroactive coverage as described in WAC 182-504-0005.

(7) Once the agency or its designee determines financial and categorical eligibility for AMP, the agency or its designee then determines whether a person meets the requirements described in WAC 182-507-0115, 182-507-0120, or 182-507-0125.

WAC 182-507-0115 Alien emergency medical program (AEM). (1) A person nineteen years of age or older who is not pregnant and meets the eligibility criteria under WAC 182-507-0110 is eligible for the alien emergency medical program's scope of covered services described in this section if the person meets (a) and (b) or (c) of this subsection:

(a) The medicaid agency determines that the primary condition requiring treatment meets the definition of an emergency medical condition as defined in WAC 182-500-0030, and the condition is confirmed through review of clinical records; and

(b) The person's qualifying emergency medical condition is treated in one of the following hospital settings:

(i) Inpatient;

(ii) Outpatient surgery;

(iii) Emergency room services, which must include an evaluation and management (E&M) visit by a physician; or

(c) Involuntary Treatment Act (ITA) and voluntary inpatient admissions to a hospital psychiatric setting that are authorized by the agency's inpatient mental health designee (see subsection (5) of this section).

(2) If a person meets the criteria in subsection (1) of this section, the agency will cover and pay for all related medically necessary health care services and professional services provided:

(a) By physicians in their office or in a clinic setting immediately prior to the transfer to the hospital, resulting in a direct admission to the hospital; and

(b) During the specific emergency room visit, outpatient surgery or inpatient admission. These services include, but are not limited to:

(i) Medications;

(ii) Laboratory, X-ray, and other diagnostics and the professional interpretations;

(iii) Medical equipment and supplies;

(iv) Anesthesia, surgical, and recovery services;

(v) Physician consultation, treatment, surgery, or evaluation services;

(vi) Therapy services;

(vii) Emergency medical transportation; and

(viii) Nonemergency ambulance transportation to transfer the person from a hospital to a long term acute care (LTAC) or an inpatient physical medicine and rehabilitation (PM&R) unit, if that admission is prior authorized by the agency or its designee as described in subsection (3) of this section.

(3) The agency will cover admissions to an LTAC facility or an inpatient PM&R unit if:

(a) The original admission to the hospital meets the criteria as described in subsection (1) of this section;

(b) The person is transferred directly to this facility from the hospital; and

(c) The admission is prior authorized according to LTAC and PM&R program rules (see WAC 182-550-2590 for LTAC and WAC 182-550-2561 for PM&R).

(4) The agency does not cover any services, regardless of setting, once the person is discharged from the hospital after being treated for a qualifying emergency medical condition authorized by the agency or its designee under this program. Exception: Pharmacy services, drugs, devices, and drug-related supplies listed in WAC 182-530-2000, prescribed on the same day and associated with the qualifying visit or service (as described in subsection (1) of this section) will be covered for a one-time fill and retrospectively reimbursed according to pharmacy program rules.

(5) Medical necessity of inpatient psychiatric care in the hospital setting must be determined, and any admission must be authorized by the agency's inpatient mental health designee according to the requirements in WAC 182-550-2600.

(6) There is no precertification or prior authorization for eligibility under this program. Eligibility for the AEM program does not have to be established before an individual begins receiving emergency treatment.

(7) Under this program, certification is only valid for the period of time the person is receiving services under the criteria described in subsection (1) of this section. The exception for pharmacy services is also applicable as described in subsection (4) of this section.

(a) For inpatient care, the certification is only for the period of time the person is in the hospital, LTAC, or PM&R facility - The admission date through the discharge date. Upon discharge the person is no longer eligible for coverage.

(b) For an outpatient surgery or emergency room service the certification is only for the date of service. If the person is in the hospital overnight, the certification will be the admission date through the discharge date. Upon release from the hospital, the person is no longer eligible for coverage.

(8) Under this program, any visit or service not meeting the criteria described in subsection (1) of this section is considered not within the scope of service categories as described in WAC 182-501-0060. This includes, but is not limited to:

WAC 182-507-0130 Refugee medical assistance (RMA). (1) You are eligible for refugee medical assistance (RMA) if all the following conditions are met. You:

(a) Meet immigration status requirements of WAC 182-507-0135;
(b) Have countable resources below one thousand dollars on the date of application;

(c) Have countable income equal to or below two hundred percent of the federal poverty level (FPL) on the date of application. The following income is not considered when determining eligibility for RMA:

(i) Resettlement cash payments made by the voluntary agency (VOLAG);

(ii) Income of a sponsor is not counted unless the sponsor is also part of your assistance unit; and

(iii) Income received after the date of application.

(d) Provide the name of the VOLAG which helped bring you to the United States so that the department of social and health services (DSHS) can promptly notify the VOLAG (or sponsor) about the medical application.

(2) If you receive refugee cash assistance (RCA) you are eligible for RMA as long as you are not otherwise eligible for medicaid or a children's health care program as described in WAC 182-505-0210. You do not have to apply for or receive RCA in order to qualify for RMA.

(3) You are not eligible to receive RMA if you are:

(a) Already eligible for medicaid or a children's health care program as described in WAC 182-505-0210;

(b) A full-time student in an institution of higher education unless the educational activity is part of a DSHS-approved individual responsibility plan (IRP); or

(c) A nonrefugee spouse of a refugee.

(4) If approved for RMA, the agency or its designee issues an approval letter in both English and your primary language. The agency or its designee also sends a notice every time there are any changes or actions taken which affect your eligibility for RMA.

(5) You may be eligible for RMA coverage of medical expenses incurred during the three months prior to the first day of the month of the application. Eligibility determination will be made according to medicaid rules.

(6) If you are a victim of human trafficking you must provide the following documentation and meet the eligibility requirements in subsections (1) and (2) of this section to be eligible for RMA:

(a) Adults, eighteen years of age or older, must provide the original certification letter from the United States Department of Health and Human Services (DHHS). No other documentation is needed. The eight-month eligibility period will be determined based on the entry date on your certification letter;

(b) A child victim under the age of eighteen does not need to be certified. DHHS issues a special letter for children. Children also have to meet income eligibility requirements;

(c) A family member of a certified victim of human trafficking must have a T-2, T-3, T-4, or T-5 visa (derivative T-Visas), and the family member must meet eligibility requirements in subsections (1) and (2) of this section.

(7) The entry date for an asylee is the date that asylum status is granted. For example, you entered the United States on December 1, 1999, as a tourist, then applied for asylum on April 1, 2000, interviewed with the asylum office on July 1, 2000, and were granted asylum

on September 1, 2000. The date of entry is September 1, 2000, and that is the date used to establish eligibility for RMA.

(8) RMA ends on the last day of the eighth month from the month you entered the United States. For example, if you entered the United States on May 28, 2011, you are eligible through the end of December 2011. You may receive RMA benefits for more months if you are in a category of persons for whom the federal Office of Refugee Resettlement has extended the eligibility period.

(9) If you are approved for RMA you are continuously eligible through the end of the eighth month after your entry to the United States, regardless of an increase in income.

(10) The agency, or its designee, determines eligibility for medicaid and other medical programs for your spouse when the spouse arrives in the United States. If the spouse is not eligible for medicaid due to your countable income, the spouse is still eligible for RMA for eight months following the spouse's entry into the United States.

(11) If you disagree with a decision or action taken on the case by the agency, or its designee, you have the right to request a review of the case action(s) or request an administrative hearing (see chapter 182-526 WAC). The request must be received by the agency, or its designee, within ninety days of the date of the decision or action.
