WAC 182-537-0100 Purpose. The medicaid agency pays contracted school districts, educational service districts, charter schools, and tribal schools for school-based health care services provided to medicaid-eligible children who require early intervention or special education and related services consistent with Sections 1903(c) and 1905(a) of the Social Security Act. The agency pays school districts through fee-for-service. Covered services must:

- (1) Identify, treat, and manage the disabilities of a child who requires early intervention or special education and related services;
- (2) Be prescribed or recommended by licensed physicians or other licensed health care providers within their scope of practice under state law;
- (3) Be medically necessary;
- (4) Be included in the child's current individualized education program (IEP) or individualized family service plan (IFSP); and
- (5) Be provided in a school setting, the natural environment, an alternate placement in accordance with the Individuals with Disabilities Education Act (IDEA), or by telemedicine.

WAC 182-537-0200 Definitions. The following definitions and those found in chapter 182-500 WAC apply to this chapter:

"Agency" - See WAC 182-500-0010.

"Assessment" - For the purposes of this chapter, an assessment is made-up of medically necessary tests given to an individual child by a licensed health care provider to evaluate whether a child with a disability is in need of early intervention services or special education and related services. Assessments are a part of the individualized education program (IEP) and individualized family service plan (IFSP) evaluation and reevaluation processes.

"Charter school" - A public school governed by a charter school board and operated according to the terms of the charter school contract. Charter schools are open to all students, do not charge tuition, and do not have special entrance requirements.

"Child with a disability" - For purposes of this chapter, a child with a disability is a child evaluated and determined to need early intervention services or special education and related services because of a disability in one or more of the following eligibility categories:

- Autism;
- Deaf-blindness;
- Developmental delay for children ages three through nine, with an adverse educational impact, the results of which require special education and related direct services;
- Hearing loss (including deafness);
- Intellectual disability;
- Multiple disabilities;
- Orthopedic impairment;
- Other health impairment;
- Serious emotional disturbance (emotional behavioral disturbance);
- Specific learning disability;
- Speech or language impairment;
- Traumatic brain injury; and
- Visual impairment (including blindness).

"Core provider agreement" - See WAC 182-500-0020.

"Early intervention services" - Means developmental services provided to children ages birth through two. For the purposes of this chapter, early intervention services include:

- Audiology services;
- Health services;
- Nursing services;
- Occupational therapy;
- Physical therapy;
- Psychological services; and
- Speech-language pathology.

"Educational service district" - A regional agency which provides cooperative and informal services to local school districts within defined regions of the state.

"Electronic signature" - See WAC 182-500-0030.

"Evaluation" - Procedures used to determine whether a child has a disability, and the nature and extent of the early intervention or special education and related services needed. (See WAC 392-172A-01070 and 34 C.F.R. Sec. 303.321.)

"Fee-for-service" - See WAC 182-500-0035.

"Handwritten signature" - A scripted name or legal mark of an individual on a document to signify knowledge, approval, acceptance, or responsibility of the document.

"Health care-related services" - For the purposes of this chapter, means developmental, corrective, and other supportive services required to assist a student ages three through twenty eligible for special education and include:

- Audiology;
- Counseling;
- School health services and school nurse services;
- Occupational therapy;
- Physical therapy;

- Psychological assessments and services; and
- Speech-language therapy.

"Individualized education program (IEP)" - A written educational program for a child who is age three through twenty-one and eligible for special education. An IEP is developed, reviewed and revised according to WAC 392-172A-03090 through 392-172A-03115.

"Individualized family service plan (IFSP)" - A plan for providing early intervention services to a child birth through age two, with a disability or developmental delay and the child's family. The IFSP:

- Is based on the evaluation and assessment described in 34 C.F.R. Sec. 303.321;
- Includes the content specified in 34 C.F.R. Sec. 303.344; and
- Is developed under the IFSP procedures in 34 C.F.R. Secs. 303.342, 303.343, and 303.345.

"Medically necessary" - See WAC 182-500-0070.

"National provider identifier (NPI)" - See WAC 182-500-0075.

"Reevaluation" - Procedures used to determine whether a child continues to need early intervention services or special education and related services. (See WAC 392-172A-03015 and 34 C.F.R. Secs. 303.342 and 303.343.)

"Related services" - See WAC 392-172A-01155.

"School-based health care services contract" - A contract that describes and defines the relationship between the agency, the school-based health care services program, and the school district, ESD, charter, or tribal school.

"School-based health care services program" or "SBHS" - Is an agency-administered program that pays contracted school districts, educational service districts (ESDs), charter schools, and tribal schools for providing early intervention services or special education health-related services to children ages birth through twenty who have an IEP or IFSP.

"School district" - A group of schools administered by a particular authority within defined geographical division.

"Signature log" - A typed list that verifies a licensed provider's identity by associating each provider's signature with their name, handwritten initials, credentials, license and national provider identifier (NPI).

"Special education" - See WAC 392-172A-01175.

"Supervision" - Means supervision provided by a licensed health care provider either directly or indirectly to assist the supervisee in the administration of early intervention or health care-related services outlined in the IEP or IFSP.

"Telemedicine" - See WAC 182-531-1730.

WAC 182-537-0600 School district requirements for billing and payment. To receive payment from the medicaid agency for providing school-based health care services (SBHS) to eligible children, a school district must:

- (1) Enroll as a billing provider in ProviderOne and have a current, signed core provider agreement (CPA) with the agency.
- (2) Have a current, signed, and executed SBHS contract with the agency.
- (3) Meet the applicable requirements in chapter 182-502 WAC.
- (4) Comply with the applicable requirements in the agency's current, published ProviderOne billing and resource guide.
- (5) Bill according to the agency's current SBHS billing guide and the SBHS fee schedule.
- (6) Comply with the intergovernmental transfer (IGT) process. The school district must provide its local match to the agency within one hundred twenty days of the invoice date.
 - (a) If local match is not received within one hundred twenty days of the invoice date, the agency will deny claims.
 - (b) School districts may resubmit denied claims within twenty-four months from the date of service under WAC 182-502-0150.
- (7) Provide only early intervention or health care-related services identified through a current individualized education program (IEP) or individualized family service plan (IFSP).
- (8) Use only licensed health care providers or nonlicensed people practicing under the supervision of a licensed provider under WAC 182-537-0350.
- (9) Enroll licensed health care providers as servicing providers under the school district's ProviderOne account, and ensure providers have their own national provider identifier (NPI) number.
- (10) Meet documentation requirements described in WAC 182-537-0700.

[Statutory Authority: RCW 41.05.021 and 41.05.160. WSR 20-14-062, § 182-537-0600, filed 6/26/20, effective 7/27/20; WSR 19-04-095, § 182-537-0600, filed 2/5/19, effective 3/8/19; WSR 16-07-141, § 182-537-0600, filed 3/23/16, effective 4/23/16. WAC 182-537-0700 School district documentation requirements.

(1) Providers must document all school-based health care services as required in this section and the medicaid agency's school-based health care services (SBHS) billing guide.

(2) Documentation to justify billed claims must be maintained for at least six years from the date of service.

(3) Records for each student must include, but are not limited to:

(a) A referral or prescription for services by a physician or other licensed health care provider within their scope of practice;

(b) Assessment reports;

(c) Evaluation and reevaluation reports;

(d) Individualized education program (IEP) or individualized family service plan (IFSP);

(e) Attendance records; and

(f) Treatment notes. Treatment notes must include the:

(i) Child's name;

(ii) Child's ProviderOne client ID;

(iii) Child's date of birth;

(iv) Date of service, and for each date of service:

(A) Time-in;

(B) Time-out;

(C) A procedure code for and description of each service provided;

(D) The child's progress related to each service;

(E) Whether the occupational therapy, speech-language therapy, physical therapy or counseling service described in the note was individual or group therapy;

(F) The licensed provider's printed name, handwritten or electronic signature, and title; and

(G) Assistants and nonlicensed people, as defined in WAC 182-537-0350, who provide early intervention or health care-related services under supervision, must have a licensed provider review and cosign all treatment notes.

(4) The agency accepts electronic records and signatures. Maintaining the records in an electronic format is acceptable only if the original records are available to the agency for program integrity activities for up to six years after the date of service. Each school district is responsible for determining what standards are consistent with state and federal electronic record and signature requirements.

(5) For a signature to be valid, it must be handwritten or electronic. Signature by stamp is acceptable only if the provider is unable to sign by hand due to a physical disability.

(6) School districts must maintain a signature log to support the provider's signature identity.

(7) The signature log must include the provider's:

(a) Printed name;

(b) Handwritten signature;

(c) Initials;

(d) Credentials;

(e) License number; and

(f) National provider identifier (NPI).

(8) Each school district must establish policies and procedures to ensure complete, accurate, and authentic records. These policies and procedures must include:

(a) Security provisions to prevent the use of an electronic signature by anyone other than the licensed provider to whom the electronic signature belongs;

(b) Procedures that correspond to recognized standards and laws and protect against modifications;

(c) Protection of the privacy and integrity of the documentation;

(d) A list of which documents will be maintained and signed electronically; and

(e) Verification of the signer's identity at the time the signature was generated.
