

WAC 200-150-02007 Standards for operation—Providing services to nonmembers. (1) Nonmembers may purchase services through a contract or agreement. Nonmembers shall not participate in any coverages of the joint self-insurance program including the self-insured retention layer and the excess insurance or reinsurance layer. This section is not intended to preclude nonmembers purchasing services from becoming members of the joint self-insurance program, provided the nonmember meets the requirements of WAC 200-150-020 (15) and (16) and is eligible for membership as authorized by chapter 109, Laws of 2015.

(2) A program intending to provide services to nonmembers shall submit a written plan to the state risk manager for approval prior to providing services. The plan shall include, at a minimum, the services to be provided, the time frame for providing such services, the expected revenues and expenditures resulting from providing said services, and a written legal analysis of all potential federal and state tax liabilities created by providing services to nonmembers. The arrangement to provide such services shall be approved in writing by the state risk manager within sixty days of the joint self-insurance program's final plan submission.

(3) Every joint self-insurance program providing services as of the effective date of these regulations must submit a written plan meeting the requirements stated herein.
