

WAC 246-205-550 Reporting contaminated property. (1) When property is determined contaminated, the local health officer shall report the contaminated property to the state department of health:

- (a) By telephone or email within one working day; and
- (b) In writing within ten working days.

(2) The local health officer's written contamination report to the state department of health shall include:

- (a) Description of the findings;
- (b) Conclusions;
- (c) Name of the property owner;
- (d) Mailing and street address, including zip code and county, of the property owner;
- (e) Parcel identification number and legal description of the property to including township and section;
- (f) Tax account number; and
- (g) Date property determined contaminated.
