

WAC 246-224-0040 Registering radiation machine facilities. (1)

A registrant shall register each radiation machine facility even if these facilities are under one administrative control, for example, several satellite clinics operated by one health care institution.

(2) Each radiation machine facility must have a designated contact person.

(3) If a radiation machine is routinely moved between or among separate radiation machine facilities, the registrant shall notify BLS prior to moving the radiation machine, or notify the department at the time shielding plans are submitted for review.
