

WAC 246-854-086 Reentry to practice requirements. (1) An osteopathic physician assistant who has not actively practiced medicine for a period of at least three years in any jurisdiction in the United States must fulfill one of the following:

- (a) Successfully pass a board approved competency evaluation;
- (b) Successfully pass a board approved exam;
- (c) Successfully complete a board approved retraining program arranged by the osteopathic physician assistant; or
- (d) Successfully complete a board approved reentry to practice or monitoring program.

(2) For the purposes of this section, a person is considered to have actively practiced medicine if they can demonstrate that they hold an active, unrestricted license as a physician assistant in the United States.
