

**WAC 284-46-025 General contents of all rate or forms of contract filings.** Each filing made of a rate or contract form shall be submitted with the filing transmittal form prescribed by and available from the commissioner. Use of a standardized transmittal form makes it easier for the commissioner to identify filings, issuers, and other important identifying information; permits more efficient tracking of filings; and makes it less difficult to provide status reports of filings to persons outside the office. The form will include the name of the filing entity, its address, identification number, the type of filing being submitted, the form name or group name and number, and other relevant information.
