

WAC 296-150T-0540 Who inspects factory-built temporary worker housing structures for installation at the temporary worker housing site?

- (1) The department of health must approve the installation.
- (2) The department of health may also request a set of design plans and specifications for the unit from you.
- (3) After the unit is manufactured but before occupancy, we must inspect a factory-built temporary worker housing structure if it is damaged in transit to the temporary worker housing site or during on-site installation. This is considered a repair inspection.

Note: The department of health may not open the concealed construction of a factory-built temporary worker housing structure to inspect if our insignia is attached.
