

**WAC 388-828-5020 How is information in the protective supervision acuity scale used by DDD?** (1) Information obtained in the protective supervision acuity scale is one of the factors used by DDD to determine:

(a) The amount of waiver respite, if any, that you are authorized to receive;

(b) Your individual and family services level, if you are authorized to receive individual and family services per chapter 388-832 WAC; and

(c) Your residential service level of support, if you are authorized to receive a residential service listed in WAC 388-828-9510.

(2) The protective supervision acuity scale is not used when determining your medicaid personal care or waiver personal care; and

(3) The information is used for reporting purposes to the legislature and the department.
