

WAC 495D-116-160 Issuance of traffic tickets or summons. (1)

The safety and security supervisor or a designee may issue a warning or citation for a violation of these regulations. The warning or citation must set forth the date, the approximate time, permit number if any, license information, and the nature of violation.

(2) The warning or citation may be served by attaching or affixing a copy in some prominent place outside the vehicle or by personally serving the operator.

[Statutory Authority: RCW 28B.50.140. WSR 92-15-081, § 495D-116-160, filed 7/16/92, effective 8/16/92.]
