

WAC 504-15-450 Replacement parking permits, indicators, and gate cards. (1) Sold or traded vehicles. Failure to advise the parking department of a sale or trade for registration purposes may result in continued responsibility to the permit holder for parking tickets received on vehicles.

The permit holder has responsibility for removing parking permits prior to selling or trading a vehicle. The identifiable remnants of the original permit must be presented to the parking department to receive a free replacement. Individuals failing to comply with this requirement must pay the cost of a new permit.

(2) Lost/stolen permits. Permit holders are responsible for the security of their permits. The theft or loss of a parking permit should be reported to the parking department immediately upon discovery. A lost or stolen permit may be replaced upon payment to the parking department of the cost of replacing the permit, according to a schedule adopted by the parking department. Lost or stolen permits must be returned to the parking department immediately if recovered.

(3) Windshield replacements. When a permit-bearing windshield is replaced, the permit replacement fee is waived if proof of windshield replacement is presented.

(4) Gate card replacement. A lost, stolen, or damaged gate card is replaced upon payment to the parking department of the cost of replacing the gate card, according to a schedule adopted by the parking department.
