

WAC 132C-10-030 Addition of courses to the curriculum. In addition to the basic program, additional courses may be offered (1) on a trial basis, (2) as a special service to the community, or (3) to meet a specific occupational need which has not been previously anticipated, when financial and other arrangements are feasible and regulations regarding scheduling and appointment of instructors have been met.

[Order, § 132C-10-030, filed 4/15/68.]
