

WAC 132G-142-020 Statement of purpose. Shoreline Community College is an educational institution provided and maintained by the people of the state of Washington. College facilities are reserved primarily for educational use including, but not limited to, instruction, research, public assembly of college groups, student activities, and other activities directly related to the educational mission of the college. The public character of the college does not grant to individuals the right to an unlimited range to engage in activities which limits, interferes with, or otherwise disrupts the normal activities to which the college's facilities and grounds are dedicated. Accordingly, the college designates the common grounds and outdoor areas of the college as a limited public forum subject to the time, place, and manner limitations and restrictions set forth in this policy.

The purpose of the time, place, and manner regulations set forth in this policy is to establish procedures and reasonable controls for the use of college facilities for both college and noncollege groups. It is intended to balance the college's responsibility to fulfill its mission as a state educational institution of Washington with the interests of college groups and noncollege groups who are seeking to use the campus for purposes of expressive activity. The college recognizes that college groups should be accorded the opportunity to utilize the facilities and grounds of the college to the fullest extent possible. The college campus is open to noncollege groups to the extent that the usage does not conflict with the rights of college groups or substantially disrupt the educational process. The college has designated certain facilities as public use areas to noncollege groups as set forth herein.
