(C) The meeting minutes of the governing body of the commission shall be indexed chronologically.

**(4) Making a request for public records.**

(a) Any person wishing to inspect or obtain copies of public records of the commission shall make the request in writing using the commission public record request website, by letter, or email addressed to the public records officer. Each request should include the following information:

- Name of requestor;
- Address of requestor;
- Other contact information, including telephone number and/or an email address; and
- Identification of the public records adequate for the public records officer or designee to locate the records.

(b) Communications seeking commission records sent or provided to unauthorized locations, addresses or staff, will not be accepted or processed as public records request. Any such communication will be processed as general informal inquiries, general correspondence, general requests for information, or discovery as appropriate. The requestor may resubmit his/her request to the public records officer at the Burien office.

(c) If the requestor wishes to have copies of the records made instead of inspecting them, the request should so indicate. Costs will be assessed in compliance with WAC 139-02-070.

**WAC 139-02-070 Costs for providing copies of public records.**

(1) The following copy fees and payment procedures apply to requests to the agency under chapter 42.56 RCW.

(2) **Actual costs.** Pursuant to RCW 42.56.120 (2)(b), the agency is not calculating all actual costs for copying records because to do so would be unduly burdensome for the following reasons:

(a) The agency does not have the resources to conduct a study to determine all its actual copying costs;

(b) To conduct such a study would interfere with other essential agency functions; and

(c) Through the 2017 legislative process, the public and requestors have commented on and been informed of authorized fees and costs, including for electronic records, provided in RCW 42.56.120 (2)(b) and (c), (3), and (4).

(3) There is no fee charged for inspecting public records.

(4) **Costs for paper copies.** The agency will charge for copies of paper records pursuant to the fees in RCW 42.56.120 (2)(b) and (c).

(a) Before beginning to make copies, the public records officer or designee may estimate costs of copying the records and may require a deposit of up to 10 percent of all the records selected by the requestor.

(b) The public records officer or designee may require the payment of the remainder of the copying costs before providing all the records, or the payment of the costs of copying an installment before providing that installment.

(c) The commission shall not charge sales tax when it makes copies of public records.

(5) **Costs for electronic records.** Electronic copies of records shall be charged as follows pursuant to the fees in RCW 42.56.120 (2)(b) and (c), which includes:

(a) Charge for scanned records or for use of agency equipment for scanning.

(b) Charge for each four electronic files or attachments uploaded to email, or cloud-based data storage service, or other means of electronic delivery.

(c) Charge per gigabyte for records transmitted in an electronic format or for use of agency equipment to send records electronically.

(d) Actual costs of any digital storage media or devices provided by the agency.

(e) Actual costs of a "customized service charge" when the request would require the use of information technology expertise to prepare data compilations or when such customized access services are not used by the agency for other business purposes.

(i) The agency will notify the requestor and take other steps if it will be doing a customized service charge.

(ii) The public records officer or designee may require a deposit of up to 10 percent of the estimated costs of copying all the records selected by the requestor. The public records officer or designee may also require the payment of the remainder of the copying costs before providing all the records, or the payment of the costs of copying an installment before providing that installment.

(iii) Copy charges may be combined to the extent more than one type of charge applies to copies responsive to a particular request.

(iv) Public records request fees do not supersede other statutory provisions for copying fees.

(6) **Costs of mailing.** The commission may also charge actual costs of mailing, including the cost of the shipping container.

(7) **Payment.** Payment shall be made payable to the Washington state criminal justice training commission by check or money order only.

(8) **Payment date.** The payment date for fees, deposits, or other costs will be scheduled at a minimum of 30 days, but no more than 45 days, after the required payment is communicated with the requestor. If a requestor fails to pay by the payment date, the request will be closed per WAC 139-02-090(8).

(9) **Summary of charges.** Upon request the commission will provide a summary of the applicable charges before copies are made and the requestor may revise the request to reduce the number of copies, thereby reducing the applicable charges.

(10) **Waiver of charges.** The public records officer or designee will not charge copying fees when:

(a) All of the records responsive to an entire request are paper copies only and are 100 or fewer pages; or

(b) All of the records responsive to an entire request are electronic and no more than the equivalent of 250 printed pages.

**WAC 139-02-090 Processing requests for public records. (1) Providing fullest assistance.** The Washington state criminal justice training commission is charged by statute with adopting rules which provide for how it shall "provide full access to public records," "protect records from damage or disorganization," "prevent excessive interference with other essential functions of the agency," provide "fullest assistance" to requestors, and provide the "most timely possible action" on public records requests. The public records officer or designee will evaluate and process requests according to the nature of the request, clarity, volume, and availability of requested records.

(2) **Acknowledging receipt of request.** Within five business days of receipt of the request, the public records officer or designee will do one or more of the following:

(a) Make the records available for inspection;

(b) Provide the requested records (or provide a bill for the records if applicable) to the requestor;

(c) Provide a reasonable estimate of when records will be available (the public records officer may revise the estimate of when records will be available);

(d) Deny the request and provide a statutory explanation as to the reason for the denial; or

(e) Acknowledge receipt of the request and ask the requestor to clarify all or any part of the request that is unclear and provide to the greatest extent possible a reasonable estimate of the time the commission will require to respond to the unclear request or unclear part of a request if it is not clarified.

(i) Such clarification may be requested and provided by telephone and memorialized in writing, or by email or letter;

(ii) Clarification may include identifying a record with specificity sufficient for the commission to locate or produce the record;

(iii) If the requestor fails to respond to a request for clarification and the entire request is unclear, the commission need not respond to it. The commission will respond to those portions of a request that are clear.

(3) **Additional time to respond.** Additional time for the commission to respond to a request may be based upon the need to clarify the request, locate and assemble the records requested, notify affected others or agencies affected by the request, or determine whether any of the information requested is exempt and that a denial should be made as to all or part of the request.

(4) **Consequences of failure to respond.** If the commission does not respond in writing within five business days of receipt of the request for disclosure, the requestor should consider contacting the public records officer to determine the reason for the failure to respond.

(5) **Protecting rights of others.** In the event the requested records contain information that may affect rights of others and may be exempt from disclosure, the public records officer or designee may, prior to providing the records, give notice to such others whose rights may be affected by the disclosure. This notice is given so affected persons may seek an order from a court to prevent or limit the disclosure. The notice to the affected persons may include a copy of the request.

(6) **Records exempt from disclosure.**

(a) The commission reserves the right to determine a public record is exempt in whole or in part consistent with provisions of the Public Records Act or other applicable provision of law.

(b) If the commission believes a record is exempt from disclosure and should be withheld, the public records officer or designee will state the specific exemption and provide a brief explanation of why the record or a portion of the record is being withheld. If only a portion of a record is exempt from disclosure, but the remainder is not exempt, the public records officer or designee will redact the exempt portions, provide the nonexempt portions, and indicate to the requestor why portions of the record are being redacted.

(c) Certain exemptions other than the Public Records Act itself restrict the disclosure of documents held by the commission. Some examples of such other applicable statutory exemptions include, but are not limited to:

RCW 5.60.060: Attorney-client privileged records.

Chapter 19.108 RCW: Trade secrets.

(7) The commission reserves the right to delete identifying details when producing any public record when there is reason to believe disclosure of such details would be an invasion of personal privacy protected by RCW 42.56.050.

(8) The commission is prohibited by statute from disclosing lists of individuals or records that may be manipulated to created lists of individuals for commercial purposes pursuant to RCW 42.56.070.

(9) **Inspection of public records.**

(a) A requestor must notify the commission in advance of their intent to inspect public records. Using the tracking ID the commission assigns to each public records request a requestor must identify with specificity and in advance the records the requestor wishes to in-

spect. The commission will assist the requestor in scheduling an appointment for inspection and may propose convenient alternatives to an in-person visit. Public records will be available for inspection during customary business hours and when staff are available to assist the requestor.

(b) When the request to inspect is for a large number of records, the public records officer may schedule inspection in installments.

(c) The commission will notify the requestor of the scheduled appointment. The requestor must inspect the requested records within 30 days of the scheduled appointment. If the requestor or a representative of the requestor fails to inspect the records within the 30-day period or fails to make other arrangements, the commission may close the request and refile the assembled records. If the requestor makes a request for the same records it will be processed as a new request.

(d) Agency facilities shall be made available to any person for the copying of public records except when and to the extent that this would unreasonably disrupt the operations of the agency.

(e) Inspections are conducted in accordance with the requirement that agencies protect the requested records from damage or disorganization. No member of the public shall remove a document from the inspection area or disassemble or alter any public record.

(f) After inspection is complete, the requestor may wish to identify which documents the requestor wishes the agency to copy.

(i) Where the commission charges for copies, the requestor must pay for the copies prior to the copies being provided to the requestor.

(ii) Electronic records will be provided as a link to the records on the commission public records website if the records are located on the public records website, or in a format used by the commission and which is generally commercially available.

(g) When the inspection of the requested records is complete and any requested copies are provided the public records officer will close the records request.

**(10) Providing records in installments.**

(a) When the request is for a large number of records, the public records officer or designee may provide access for inspection and copying in installments, if he or she reasonably determines that it would be more practical.

(b) If, within 30 days, the requestor fails to inspect one or more of the installments, the public records officer or designee may stop searching for the remaining records and close the request.

(c) When the request is for copies of public records, the public records officer may require payment for each installment either prior to providing the installment or prior to providing subsequent installments. In addition, the requestor may be required to provide a deposit up to 10 percent of the estimated cost of copying all records selected by the requestor. If the requestor fails to pay the required cost by the scheduled payment date, the public records officer may close the request.

**(11) Closing withdrawn or abandoned request.**

(a) The public records officer will close a request when the requestor:

(i) Withdraws the request;

(ii) Fails to fulfill his or her obligations to inspect the records 30 days after the scheduled inspection date;

(iii) Fails to clarify an entirely unclear request 30 days after clarification was requested;

(iv) Fails to claim an installment 30 days after records were provided;

(v) Fails to pay required fees for an installment by the scheduled payment date;

(vi) Fails to pay the deposit or final payment for the requested copies by the scheduled payment date.

(b) The public records officer will close the request and indicate to the requestor that the Washington state criminal justice training commission has closed the request and refile the assembled records.

(12) **Later discovered documents.** If, after the Washington state criminal justice training commission has informed the requestor that it has provided all available records, the Washington state criminal justice training commission becomes aware of additional responsive documents existing at the time of the request, it will promptly inform the requestor of the additional documents and provide them on an expedited basis.

(13) The commission is not required to create a record that does not otherwise exist.

**WAC 139-02-095 Review of denials of public records.** (1) **Petition for internal administrative review of denial of access.** Any person who objects to the initial denial or partial denial of a request for a public record may petition for prompt review of such decision by tendering a written request for review. The petition shall include a copy of or reasonably identify the written statement by the public records officer or designee denying the request.

(2) **Consideration of petition for review.** The public records officer shall promptly provide the petition and any other relevant information to the executive director or designee. The executive director or designee shall immediately consider the petition and either affirm or reverse the denial within two business days following the Washington state criminal justice training commission's receipt of the petition, or within such other time as the commission and the requestor mutually agree upon.

(3) **Exhausting administrative remedies.** Administrative remedies will not be considered exhausted until the commission has returned the petition with a decision or until the close of the second business day following denial of inspection, whichever occurs first.

(4) **Review by the attorney general's office.** Pursuant to RCW 42.56.530, if the commission denies a requestor access to public records because it claims the record is exempt in whole or in part from disclosure the requestor may request the attorney general's office review the matter. The attorney general has adopted rules on such requests in WAC 44-06-160.

(5) **Judicial review.** Any person may obtain court review of denials of public records requests pursuant to RCW 42.56.550 at the conclusion of two business days after the initial denial regardless of any internal administrative approval.

[Statutory Authority: RCW 43.101.080 and 42.56.040. WSR 22-19-001, § 139-02-095, filed 9/7/22, effective 10/8/22.]

**WAC 139-02-105 Commercial purposes.** No provisions of any rule contained in this title shall be construed as giving authority to any commission records or public records officer or employee to give, sell, or provide access to lists of individuals requested for commercial purposes. If a list of individuals is included in the records requested, the commission may require requestors to identify themselves and the purpose of their request, and provide a signed statement that the requestor will not use the list of individuals for commercial purposes.

When the commission has credible indication that a requested list of individuals might be used for commercial purposes, the commission will investigate the request further. The commission will determine on a case-by-case basis whether such further investigation is necessary, based on the identity of the requestor, the nature of the records requested, and any other information available to the commission. When the commission determines further investigation is necessary, the commission will require requestors to identify the purpose of their request.
