

WAC 172-100-030 Liability of university. The university assumes no liability for bicycles or motor vehicles or their contents when such bicycles or motor vehicles are on campus. The university offers parking permits to those desiring to park on campus. The university uses license plate recognition technology to manage parking. A parking permit licenses the holder (licensee) to park one motor vehicle in the lot for which the owner purchased a parking permit as long as the license plate number for the vehicle matches the license plate number on file with parking services. The university is not responsible for fire, theft, damage, or loss of any bicycle, motor vehicle, or any article left in such vehicle. A parking permit is a license to park and no bailment is created.
