

WAC 173-545-120 Changes and transfers. No changes to, or transfers of, existing surface and groundwater rights in the Wenatchee River basin shall hereafter be granted if they conflict with the purpose of this chapter. Any change or transfer proposal can be approved only if there is a finding that existing rights, including the instream flows established in WAC 173-545-050 and 173-545-060, will not be impaired.

[Statutory Authority: Chapters 90.82, 90.54, 90.22, 90.03, and 90.44 RCW. WSR 08-01-045 (Order 07-06), § 173-545-120, filed 12/12/07, effective 1/12/08.]
