

**WAC 208-620-300 If I want to operate my business from more than one location, do I have to license each location?** Yes. You must submit a branch office application through the NMLS for each branch office, residential mortgage loan servicing location, student education loan servicing location, or direct solicitation location. You may not operate from a location until a license is granted for that location. However, a branch license is not required for a loan originator to conduct activities under the act from the loan originator's residence pursuant to WAC 208-620-660.
