

WAC 212-80-078 Contractor surety bonds. (1) A fire protection sprinkler system contractor must have a separate bond conditioned to compensate third-party losses caused by the acts of the contractor's principal or the principal's servant, officer, agent, or employees, in conducting the business registered or licensed under this chapter as follows:

(a) Level 3 or Level "U" fire protection sprinkler system contractor, must file with the director a surety bond executed by a surety company authorized to do business in the state of Washington, in the sum of \$10,000; or

(b) Level 1 or Level 2 systems or a contractor to be licensed as an inspection and testing contractor, must file with the director a surety bond executed by a surety company authorized to do business in the state of Washington, in the sum of \$6,000.

SURETY BOND REQUIREMENT CHART

Level	1	2	3	U	I&T
Building Type By NFPA Standard	NFPA 13D	NFPA 13R	NFPA 13	NFPA 24	NFPA 25
Bond Amount	\$6,000	\$6,000	\$10,000	\$10,000	\$6,000
This is a separate bond from the one obtained to license with L&I.					

(2) Upon approval by the director, cash or other security may substitute for a surety bond provided the value matches the appropriate level of bonding required under subsection (1) of this section and the following conditions are met:

(a) The value of property must be determined by an appraiser selected by the director and all appraisal fees will be paid by the fire protection sprinkler system contractor.

(b) The cash or other security substitute will be released one year after the expiration of the fire protection system contractor license issued by the director provided that there are no claims against the bond.

(3) A cancellation of a surety bond or insurance policy is effective 30 days after the director receives the cancellation notice or upon the cancellation date as specified by the surety company whichever occurs first. The cancellation notice must be sent to the director by certified or registered mail and contain the following information in this order:

(a) The name of the contractor, exactly as it appears on the contractor's license;

(b) The contractor's license number (as issued by the department of labor and industries);

(c) The contractor's business address;

(d) The number of the bond or insurance policy that is to be canceled; and

(e) The effective date of the bond that is to be canceled.

(4) If the surety company cancels or revokes the bond or a withdrawal of the surety company from the bond occurs, the director will suspend both the fire protection sprinkler system contractor license issued to the contractor, and the certifications of employee(s) employed by the contractor pursuant to WAC 212-80-205. The director may rescind the suspension action when the contractor files a new bond or reinstatement notice. The director will provide written notice to both the contractor and certificate of competency holders of the suspension action.
